PLAN FOR 2024–2025

Preamble

Periyar University, with its twenty five years of yeoman service to the rural populace, has been rightly named after the great social reformer E. V. Ramasamy, who is respectfully called 'Thanthai Periyar'. The University strives its best to make the dream of Thanthai Periyar come true. Situated in the Salem–Bengaluru highway, NH44, and spread over 38.64ha (95.48 acres). Periyar University caters to the higher education needs of people belonging to four districts namely Salem, Namakkal, Dharmapuri and Krishnagiri of Tamil Nadu. The University serves through 27 Departments, 118 affiliated colleges and a Periyar University Centre for Post Graduate and Research Studies for research students, which are varied in nature. For the lifelong learning and for those unable to pursue studies on regular mode, the University is supported with the Periyar University Centre for Online and Distance Education (PUCODE) that produced lakh of graduates.

The University is accredited by the NAAC A++ Grade with CGPA of 3.61 in Cycle 3 and consistently placed within the top 50 in MHRD NIRF ranking 56 and State Public University ranking 25 among the Government and Government aided universities in India. The University nurtures competitive skills among rural students and continuously strives to address the national concerns on the quality of higher education through teaching, research and extension activities. It is governed by its act, statutes, regulations and rules enacted as Periyar University Act of 1997 by the Legislative Assembly of the State of Tamil Nadu. During the academic year 2024–25, 1,175 students were enrolled in 133 programmes under the guidance of 200 teachers. The University receives its funding from various agencies such as UGC, AICTE, CSIR, DBT, DST, ICMR, DRDO, MoEF&CC, MoES, MoFPI, ICSSR, TNSCST and MHRD to carry out research activities through its Departments. The University Departments have collaborations with many institutes like ONGC, NLC, Green Chem, Virbac, Sibar Institute of Dental Sciences, SAGOSERVE, TANMAG, ICMR and Boston India for internships, trainings, exchange programmes and to conduct problem oriented and resource based research through the Letter of Intent and MoUs. The University established linkages with industries, Government and non-governmental organizations for proactive extension activities and social upliftment efforts, by adopting nearby villages.

Vision

Periyar University aims towards excellence in teaching, research, outreach, imparting new-age skills and preserving cultural identity for future generation.

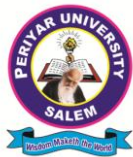

Mission

- To provide a vibrant learning environment, fostering innovation and creativity inspired by cutting edge research
- To aspire as a national leader in developing educated contributors, career ready learners and globally competitive citizens
- To offer need based, society driven, industrially relevant academic programmes with a view to make future ready civilians
- To make a significant, consistent and sustainable contribution towards social, cultural and economic life
- To adopt hassle free, distributed, committed and transparent governance.

**Minutes of the meeting of the Periyar University 6th Planning Board
Held on 24-01-2025 at 11:00 am in the Syndicate Hall**

Prof. R. Jagannathan *Vice Chancellor*: In the Chair

Members Present:

1. Prof. Dr. N. Panchanatham
Vice-Chancellor,
The Gandhigram Rural Institute –Deemed to be University,
Gandhigram – 624302, Dindigul –Dt
(Resd. Address) 1-3 New Kothankudi Flats, Ranganathan Road,
Annamalai Nagar, Chidambaram – 608 002, Cuddalore – Dt
2. Dr. P.S. Mohan (Retired)
HoD, Department of Chemistry
Syndicate Member, Bharathiar University
56, 8th Main Road, Gurusamy Nagar
Bharathiar University Road, Coimbatore – 641046.
3. Dr. T. PoongodiVijayakumar
Professor and Head
Department of Food Science and Nutrition
Periyar University, Salem – 636011.
4. Dr. G. Swaminathan
Professor of Civil Engineering
National Institute of Technology, Trichy
No.9, First Street, NIT, Tiruchirapalli – 620015.
5. Dr. T.A.S. Vijay Raghavan
Professor
Production Operations Management and Decision Sciences Area
Xavier School of Management (XLRI), Jamshedpur
51, T Block, XLRI Campus, Circuit House Area East
Jamshedpur – 831001, Jharkhand.

6. Dr. G. Ramesh
Professor
Indian Institute of Management, Bangalore
No.35a, IMG Elite, Raghavana Papalaya,
JP Nagar, 9th Phase, Bangalore – 560062.

7. Dr. S. Vishnuvardhan
Principal Scientist
Fatigue & Fracture Laboratory
CSIR – Structural Engineering Research Centre
CSIR Campus, Taramani Chennai – 113
Flat No. 37, Block 5, MaanSarovarRaaja Apartments,
No. 11A, Arcot Road, Porur, Chennai – 600116.

8. Dr. S. Rajasomashekar
Assistant Professor (Electrical)
Diploma in mining Engineering Programme
Faculty of Engineering and Technology,
Annamalai University, Chidambaram – 608 002
(Resd. Address) No.72, South Car Street,
Chidambaram – 608001. Cuddalore – Dt

Action Taken for the 5th Planning Board

Item	Confirmation of the minutes of Planning Board 5th Meeting held on 16.06.2023
5(1)	Minutes Approved.
Item	Action was taken on minutes of the 5th Planning Board Meeting
5(2)	<p>5.3.1 Infrastructure for Growth and Development of the University</p> <p><i>A. Infrastructure for Placement and Student Progression</i></p> <p>One of the important lacunae in the third cycle of NAAC was in 5th criteria (Student support and progression) where the University scored the lowest. Our long-term visionary goal towards globalization, the University needs to establish the following infrastructure inside the University premises to augment student support.</p> <p>Hence the university proposes a well-designed world-class infrastructure for Placement and Career Guidance Centre to empower the placement and career development training to the students, scholars and post-doctoral researchers. This Centre will also rope in Alumini and other industrial collaboration for placement and career guidance, which will create a strong alumni network and entrust their fund contribution to the development of the University under Corporate Social Responsibility towards well-trained manpower.</p>
	Minutes Approved
	<p>Action Taken</p> <p>With the objective of expanding operational scope, the existing "Career Guidance and Placements Cell" is proposed to be upgraded to the status of "Directorate of Placements." Also, the University has successfully involved departmental alumni networks not only for placement assistance but also for conducting Alumni Lecture Series and interactive programmes. A comprehensive Gap Analysis has been undertaken to identify areas requiring attention in achieving the University's Mission. Besides, an in-depth SWOC (Strengths, Weaknesses, Opportunities and Challenges) analysis has been conducted for the Institutional Development Plan, which shall be presented during this Planning Board meeting.</p>

	<p>B. Establishment of Printing Division</p> <p>The university is regularly printing invitations, brochures, newsletters, textbooks, laboratory manuals, foundation course materials, answer booklets etc by spending considerable financial resources. Hence establishment of a "Printing division" with high-tech printing and binding facilities to cater the printing requirements is proposed. The proposed facility will generate a return on investment within 3-4 years and generate considerable revenue for the University along with production of teaching learning resources.</p> <p>Minutes</p> <p>Approved</p> <p>Action Taken</p> <p>The requirement for infrastructure being prepared and will be processed during next financial year only</p>
	<p>C. Establishment of "Periyar University Digital Intelligence Park</p> <p>The Industry 4.0 convergence aimed at revolutionizing the way companies manufacture, improve and distribute their products in smart way. A PUDI Park towards digitalisation proposed for establishment with contributions from industries under Corporate Social Responsibility grant targeting Industry 4.0 convergence similar to the Tamil Nadu Smart and Advance Manufacturing (TANSAM) established by the Government of Tamil Nadu.</p> <p>Minutes</p> <p>Approved</p> <p>Action Taken</p> <p>Periyar University has established the Incubation and Technology Transfer Centre (ITTC) with the approval of the University Syndicate, and it currently functions in the Incubation centre of Periyar University. The ITTC provides services aligned with the proposed Periyar University Digital Intelligence Park, in accordance with the Tamil Nadu Smart and Advanced Manufacturing (TANSAM) initiative established by the Government of Tamil Nadu. Three companies have already been granted permission to participate in Information Technology education, and this engagement shall be further strengthened.</p> <p>D. Establishment of "e-Sevai Centre"</p> <p>The Government of India has launched a digital India initiative. Under this initiative, the government is making available all government services online. Citizens can also apply for various schemes online. Many state governments are also adopting this approach. Recently the</p>

Government of Tamil Nadu launched the tnesevai.tn.gov.in Portal. Through this portal citizens of Tamil Nadu can avail the benefit of various services. However, use of such services by the rural people is still a difficult task. Hence, we propose as part of the extension service, e-Sevai Centre in Periyar University to extend the online services to the students and public utilizing the existing facilities of Periyar University.

Minutes

Approved

Action Taken

While Periyar University has established an information centre, the requisite infrastructure for operating an "e-sevai" centre is yet to be provided. Nevertheless, the National Service Scheme (NSS) team of Periyar University actively conducts various community service programmes, including: (1) Voter Registration Camp for facilitating new voter registrations and updating existing Electoral Photo Identity Cards, (2) Aadhaar Enrolment and Updation Camp, (3) Blood Donation Camp, (4) Eye Check-up Camp, and (5) Master Health Check-up Camp, amongst others.

5.3.2 Innovator Research Grant

The university is providing UPDF without specific guidelines and we provide a monthly fellowship of only Rs.15,000/- per month, which is not attracting the required candidates. Besides the guidelines do not permit Periyar University students to advance their research done in our laboratories. Hence, in the place of UPDF we are proposing a new innovator research grant similar to '*Walk with a Scholar*' scheme, which is the most successful and prevailing scheme in various universities and higher education institutions at national and international levels. In compliance with that scheme, an innovator research grant in the name of '*Step up to Invent / Walk to Innovate / Innovate to Earn*' proposed to be introduced for aspiring researchers who would like to invent a solution for a problem most prevailing in the society or introducing a new concept to the society. A corpus fund of 2 – 5 crores is to proposed to be generated through corporate social responsibility or form philanthropist and the interest accrued will be utilized for providing a monthly fellowship for two years at Rs.25,000/- or more besides a research grant of Rs. Two lakh will be provided for each innovative proposal as processed and provided by EDII-TN under Innovative Voucher Programme. Any aspiring researcher from UG, PG, Ph.D. Scholars from University Department as well as any employ of the university can apply for the scheme either individually or as a team while the University provides a call to submit the proposal and utilise the grant. Initially we have planned to provide

	<p>5 proposals in a year spelt with a market–driven radical or incremental innovative solution to a problem.</p> <p>Minutes Approved</p> <p>Action Taken</p> <p>The Ignition Grant of DST iTBI (Rs.2 to 10 lakh per Innovator/Startup) and Innovation Voucher Programme of EDII–TN (Rs.2 lakh per Innovator/Startup) offered through Periyar University Business Incubation Confederation is meant for Innovators who want to become an Entrepreneur. The university collected an amount of Rs. 10 Lakhs as Silver Jubilee fund and the university sanctioned as grant based on the proposals from professors. Further we are planning to establish a corpus fund in future for this purpose.</p>
	<p>5.3.3. IPR Facilitation Centre</p> <p>Periyar University has established an IPR Cell to generate awareness about the scope and purpose of IPR, types of IPR, mode of making applications etc. In order to increase the number of copyrights, patents and trademarks filed, published and granted to the University, we propose to establish IPR Facilitation Centre with a full–time employee who supports filing patents, copyright and trademark with patent and trademark search under the mentorship of authorised professionals. The facility can be utilised by all innovators, startups, entrepreneurs and business operators who are connected with any department or division or scheme of the University.</p> <p>Minutes Approved</p> <p>Action Taken</p> <p>The IPR cell functioning already being strengthened and university conducted for workshop and also engages a facilitator for helping on this regard.</p> <p>5.3.4. Promotion of E–Content Development</p> <p>As per the score analysis of NIRF ranking under various parameters, University is in urgent need to motivate the faculty, post–doctoral fellow and scholars (both stipend and non–stipend) to develop and upload the validated content in SWAYAM, University LMS and any professionally recognized e–Learning platform like Udemey, Coursera, OpenEdx etc. with the approval of "e–Learning Resource Centre". This activity may be mandated to all faculty and postdoctoral fellows with an intention to create 5 – 10 module–based content per month.</p>
	<p>Minutes</p>

Approved

Action Taken

In alignment with the goal to encourage faculty, post doctoral fellows, and scholars to develop and upload validated e-learning content on the University LMS, preliminary steps are being planned to initiate the process. A structured framework will be developed in consultation with the E-Learning Resource Centre to outline guidelines, provide training, and establish a content validation mechanism. Awareness campaigns and workshops will be scheduled to ensure stakeholders understand the significance of this initiative. A monitoring system will also be introduced to track progress and ensure adherence to the target of 5-10 modules per month. The initiative is in its initial stages, with a focus on laying a strong foundation for successful implementation.

5.3.5. NABL Accreditation of Laboratories

Periyar University has established a Centre for Instrumentation and Maintenance Facility (CIMF) and many research laboratories in biological science, life science, food and nutritional science, material science, textile science, geoscience, energy science and so on. Many of the advanced instruments are introduced in the i-Stem portal of the Government of India for public use. Some of these laboratories have got the potential to become referral laboratories for the industrial sector and government. Prior to being recognised by the government as a referral laboratory, testing parameters have to be accredited by National Accreditation Board for Testing and Calibration Laboratories (NABL) in compliance with ISO / IEC 17025:2017 (testing and calibration laboratories) and ISO 15189 (medical laboratories) standard. It is proposed to obtain accreditation for food testing laboratory and food microbiology laboratories as per ISO / IEC 17025:2017 then measures will be taken to obtain accreditation for medical parameters as per ISO 15189.

Minutes

Approved

Action Taken

A prelude to be setting up to NABL accredited lab the university has strengthened the activities of CIMF and also the department of Food Science and Nutrition.

The Department of Food Science and Nutrition is an active participant in I-Stem Portal; 9 equipments are uploaded in the I-Stem portal. Two Facility Booking Record (FBR) is received (For RVA & Spray Dryer). RVA is under service, and the Spray Dryer based analysis is completed the report is submitted through i-STEM portal. With the increased activities we are

processing to obtain NABL accreditation for the Food Science and Nutrition lab.

5.3.6. Creation of Qualification Packs for Industry–Aligned Modules and Content Localisation

Ministry of Skill Development and Entrepreneurship is officiating many approved Qualification Packs as Industry aligned modules for skill–based training through various Sector Skill Councils of the National Skill Development Corporation (NSDC). Still, there are need and potential to create Qualification Packs for more job–specific skills as per local and regional industry requirements which could be validated and approved by the concerned Sector Skill Council of NSDC. Periyar University Jurisdiction based industry specific qualification packs in compliance with the National Skills Qualification Framework (NSQF) and National Credit Framework of the National Council for Vocational Education and Training (NCVET) will be framed in association with relevant industries and proposed for validation and approval by NSDC. In addition, unique industry–aligned module–based content will also be localised, copyrighted to Periyar University and published in the e–learning zone of the concerned Sector Skill Council or University e–learning zone for the benefit of students and the industrial sector.

Minutes

Approved

Action Taken

In response to the Planning Board's recommendation for Periyar University to create industry–specific Qualification Packs (QPs) and obtain approval from relevant Sector Skill Councils, the following progress update is provided:

The recommendation to develop university–specific qualification packs aligned with local and regional industrial requirements, which would be validated and approved by the concerned Sector Skill Councils of NSDC, is currently pending implementation. While this primary objective remains to be addressed, the University has taken preliminary steps through awareness and capacity–building initiatives.

Specifically, the University organized two programs to build understanding and preparedness: a focused session for Heads of Departments on 01.12.2023, addressing the integration of NSDC Sector Skill Council modules into the university curriculum, followed by a comprehensive program for all university faculty members on 07.03.2024, regarding NSDC Sector Skill Councils' alignment with university syllabi. Consequently, a circular was issued on May 16, 2024, to all Board of Studies Chairmen regarding skill content integration.

The Planning Board's recommendation of developing and securing approval for industry–specific qualification packs will be completed before the end of this year.

5.3.7. Imparting Tech Skill through Industrial Partner

The academicians are not able to support students with the current requirements of industries and thus industries are struggling to train the recruited employees. Hence, we propose to establish a section 8 company with the infrastructure and man power support from industries and train the students for Industry 4.0 convergence by utilizing the "content localisation" created specifically for this purpose. The university will provide sufficient floor space for industries while the partnering industries should ensure the placement either in their own industries or in the needy industries (placement-linked skills)

Minutes

Approved

Action Taken

There are 7 institutes operating under DUIC. Various courses are being implemented in these. The enrollment of students in the year 2023-2024 is 198. We are providing employment to the students through the University Placement Cell. Now we have set up Information Technology Transfer Centre in we have also planned to offer skill based program to create industry needy students.

5.3.8. Any other item

- i. Board recommends to establish Data Centre of Periyar University in IQAC to maintain the database pertaining to the NAAC, NIRF, NIRF Innovation and IIC

Minutes

Approved

Action Taken

The Department of Computer Science at Periyar University houses High-Performance Computing (HPC) facilities. A dedicated portal for data management is under development and will be operational before the end of this calendar year.

- ii. Board approves the suggestion made by Prof. P.S.Mohan to offer more Entrepreneurial skill oriented certificate courses related to Food Preservation on Mango and Poultry products and to establish a Fitness and Wellbeing Centre for the benefit of students and staff members of this University.

Minutes

Approved

Action Taken

- a. Entrepreneurial skill oriented certificate course (30 hours of learning) on processing of poultry and its franchising model in association with Herboo Chicken, Erode is designed as value added course for this academic year and based on its outcome, it will be

	<p>offered as 3 months Certificate Course from the academic year 2025–26 under DUIC of Periyar University.</p> <p>b. Department has initiated the nutrition counseling centre and modeled a webpage along with portal based database management on diet counseling with precision nutrition for each individual to benefit staff, students of Periyar University and also general public referred by various hospitals.</p>
	<p>iii. Each Department shall obtain short and long term plan from the stakeholders for the development of their Departments towards overall growth of the University as suggested by Prof. Dr. N. Panchanatham. This has to be placed in the ensuing Planning Board meeting for approval</p>
	<p>Minutes</p> <p>Approved</p>
	<p>Action Taken</p> <p>The University has formulated the Institutional Development Plan (IDP) for presentation during this Planning Board meeting. Subsequently, the University shall direct individual departments to develop their respective departmental plans in alignment with the IDP.</p>
	<p>iv. Board recommends to establish Centre of Excellence by identifying the potential departments and encourage the collaboration with Premier Institutions for cutting edge research and innovation as suggested by Prof. G. Ramesh</p>
	<p>Minutes</p> <p>Approved</p>
	<p>Action Taken</p> <p>The University is yet to identify suitable departments for the establishment of "Centres of Excellence".</p>
	<p>v. Board recommends to initiate the establishment of NABL accredited Laboratories by the potential departments to improve the University Industry Collaboration and IPR as suggested by Dr. S. Vishnuvardhan</p>
	<p>Minutes</p> <p>Approved</p>
	<p>Action Taken</p> <p>As per the NABL Accreditation process requirements, Dr. T. Poongodi Vijayakumar has got completed certificate course on Laboratory Quality Management System of Bureau of Indian Standard as per IS/ISO/IEC 17025:2017 held during 16–19 May 2023. Accordingly, the Department of Food Science and Nutrition has designed forms and procedures for various analysis. The quality manual is under preparation. Efforts are being taken to obtain consultancy</p>

from the recognized agencies towards NABL accreditation of 5 to 6 parameters relevant to food testing laboratory.

1. The LQMS Certificate of Dr. T. Poongodi Vijayakumar

2. NABL – Minutes of the meeting

3. Mr. V. Vimalnath ,General Manager Testing, Shrient Analytical and Research explained
- Based on Laboratory Quality Management System insists to finalize the testing parameters to be accepted along with the methods in compliance with IS Standards/AOAC methods/ FSSAI Manual.
 - NABL process has to be started with quality manual adequacy, Pre Assessment and Assessment along with method verification.
 - His expertise in NABL based consultancy.

Based on the above points of discussion the following Resolution were made:

- Decided to obtain NABL accreditation for 15 to 20 parameters such as

Sl.No	Testing Parameters
1	Moisture
2	Ash
3	Fat
4	Protein
5	Carbohydrate
6	Crude Fiber
7	pH
8	Sensory Parameters

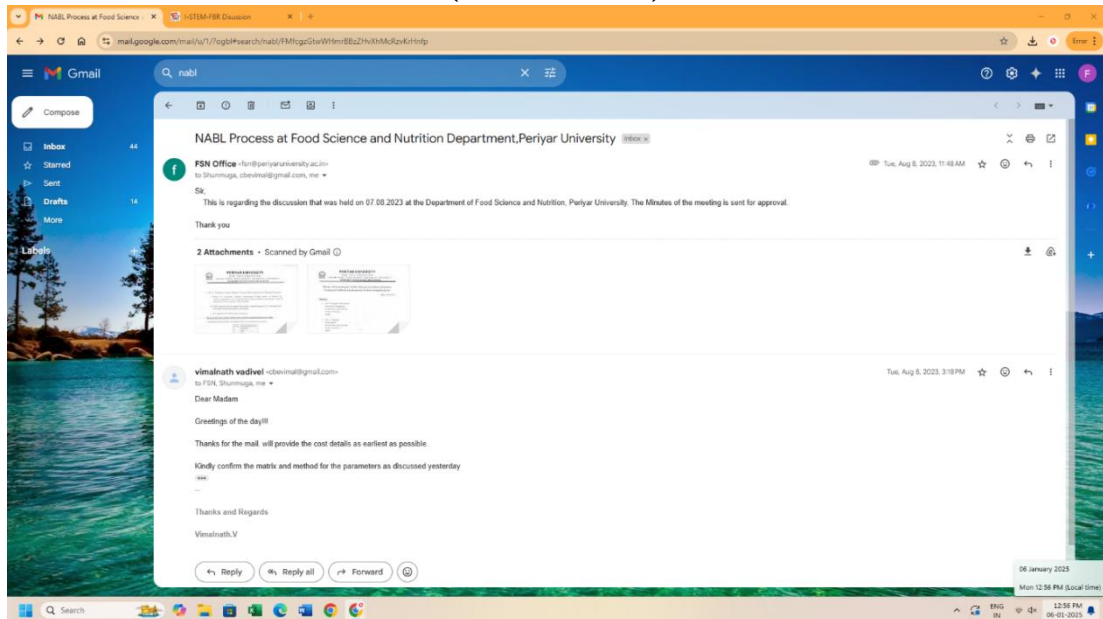

- Preparation of quality manual as per the prescribed format.
- Documentation on method verification, measurement uncertainty in terms of reproducibility and repeatability of the test parameters meant for NABL accreditation.
- Comparative budgetary proposal from the consultant through tender process for obtaining NABL Accreditation for the Department of Food Science and Nutrition.

- vi. As suggested by Prof. G. Swaminathan, Board approves the involvement of alumni to strengthen the career guidance and placement activities. Board also approves to form a strategic planning group to identify the gap towards the achievement of the Mission of the University

Minutes

Approved

Action Taken

With the objective of expanding operational scope, the existing "Career Guidance and Placements Cell" is proposed to be upgraded to the status of "Directorate of Placements." Also, the University has successfully involved departmental alumni networks not only for placement assistance but also for conducting Alumni Lecture Series and interactive programmes. A comprehensive Gap Analysis has been undertaken to identify areas requiring attention in achieving the University's Mission. Besides, an in-depth SWOC (Strengths, Weaknesses, Opportunities and Challenges) analysis has been conducted for the Institutional Development Plan, which shall be presented during this Planning Board meeting.

- vii. The roles and responsibilities of the Planning Board are not defined in the Periyar University Act, Statutes and Rules, 1997. Board suggests to frame the same and obtain the assent of the Governor Chancellor of Tamil Nadu

Minutes

Approved

Action Taken

Noted and the university will be take necessary steps towards preparing guidelines.

	<p>viii. Board approves to establish Centre for Foreign Languages to improve the career opportunities at International level as suggested by Dr.S.Rajasomashekar</p>
	<p>Minutes Approved</p>
	<p>Action Taken</p> <p>Following the board's approval to establish a Centre for Foreign Languages to enhance international career opportunities, Japanese language courses were introduced. While a few students enrolled and earned certifications, the initiative has experienced limited uptake among the University students, resulting in minimal progress.</p>

6(3)	<p>Agenda for 6th Planning Board</p> <p>6.3.1 Upgrading the Research and Development Cell to Directorate of Research</p> <p>The Research and Development Cell of Periyar University has been actively supporting doctoral scholars of the University from application to program completion. It has separate office, a coordinator and non-teaching staff. The cell has experienced significant operational expansion due to increasing demands from research scholars, supervisors, examiners, and other stakeholders. Considering the evolving landscape of educational research, Periyar University proposes upgrading the Research and Development Cell to a "Directorate of Research". Notably, several prominent Tamil Nadu universities have already established research divisions as Directorates, including:</p> <ul style="list-style-type: none"> • Annamalai University's Directorate of Academic Research (DARE) • Bharathidasan University's Directorate of Research • Bharathiar University's Centre for Research and Evaluation • Manonmanium Sundaranar University's Centre for Research <p>This initiative aims to enhance research governance, administrative efficiency, and academic reputation, and aligns with the university's Institutional Development Plan (IDP) and contemporary academic standards prevalent in leading Tamil Nadu universities.</p> <p>By convention the proposed directorate of Research's administration head will be known as "Director". A Person in the capacity of professor will be assigned with the task of handling the Directorate of Research by the Vice Chancellor.</p> <p>This matter is placed before the esteemed members of the Planning Board for discussion and approval.</p> <hr/> <p>Minutes</p> <p>Approved</p>
------	---

6.3.2 Upgrading the Career Guidance and Placement Cell to Directorate of Placements

Periyar University has been providing excellent career guidance and placement services to students across university departments and affiliated colleges. The proposal to upgrade the existing Career Guidance and Placement Cell into a "**Directorate of Placements**" emerges from critical needs in the current educational scenario. Technological advancements, dynamic job markets, and increasing student expectations require a more structured career support system. The proposed Directorate aims to build a strong career development infrastructure beyond traditional placement support. The Directorate model promises significant institutional advantages, including improved placement performance, streamlined career support ecosystems, and enhanced student employability. This proposal represents a significant shift in student career preparation, demonstrating the university's commitment to educational excellence and professional empowerment.

This matter is placed before this august forum for discussion and approval.

Approved

6.3.3 Approval of Institutional Development Plan (IDP) 2025 for Periyar University

The Proposed Institutional Development Plan (IDP) 2025 for Periyar University has been meticulously developed in alignment with the guidelines provided by the University Grants Commission (UGC). The plan incorporates all key enablers recommended by the UGC, focusing on Governance, Achieving Quality, Financial Management, Academic Development, Research Enhancement, Networking and Collaboration, Human Resource Development, Physical Infrastructure, Digital Transformation, and Outreach Activities. These enablers have been carefully worked out to create a comprehensive framework aimed at strengthening the University's contributions to higher education, societal impact, and global visibility. The IDP outlines strategic initiatives and action plans to address these enablers, ensuring a holistic approach to institutional development. It aligns with the vision and mission of the university, emphasizing sustainable growth, innovation, and inclusivity. The University Planning Board is requested to review and approve the IDP for implementation and to provide any necessary recommendations or amendments. A resolution is proposed to approve the IDP and to establish mechanisms for periodic review and monitoring to ensure its successful execution and alignment with institutional goals. The proposed Institutional Development Plan (Abstract) of Periyar University has been attached herewith for committee's kind perusal and approval. (Annexure-I)

This matter is placed before this august forum for discussion and approval

6.3.4 To offer (1) B.Tech Immersive Technology (2) B.Sc. Immersive Technology in Periyar University in association with M/s. Scopik Edutech Private Limited, Chennai-600 091 from the academic year 2025-2026.

M/s. Scopik Edutech Private Limited, No.407/1B, 2nd Floor, Srinivasa Nagar, Madipakkam, Chennai-600 091 has submitted proposal to introduce the following UG Programmes under Choice Based Credit System (CBCS) from the academic year 2025-2026 in Periyar University in association with the above institution.

1.	B. Tech Immersive Technology	4 Years
2.	B.Sc. Immersive Technology	3 Years

In that proposal it is mentioned that M/s. Scopik shall assist the university for setting up the required laboratory for conducting the Degree programme and be responsible right from mobilizing the candidates, Conduct Training & Assessment, provide Certificates and assist the students for the suitable placements.

Hence, it is submitted to the Planning Board for approval.

6.3.5 To offer Master of Social Work (MSW) from the academic year 2025-2026.

Based on the recommendations of NAAC peer team the university is decided to introduce a two-year regular Master of Social Work Programme during the forthcoming academic year 2025-2026 by starting a new Department of Social Work. Since the university covers the rural backward districts of Tamil Nadu viz., Salem, Namakkal, Dharmapuri and Krishnagiri. These four rural backward districts require social work interventions in order to help an individual, family, group and community to overcome challenges and reach their full potentials. Similarly, these districts also experience the various social issues like child marriage, female foeticide, female infanticide, labourers in unorganized sectors and the like and to address these social issues need variety of methods including case work, group work and community work. Hence it is very essential to establish a Department of Social Work and offer the following programmes

Master of Social Work

	<p>A Master of Social Work (MSW) degree is important because it prepares graduates to help individuals, families and communities improve their well-being. This two-year course promotes social change and justice, especially for those who are vulnerable, oppressed and living in poverty and the interventions which are made through the said course in turn create a just society with full of peace, prosperity and progress. Similarly, the MSW degree prepares students for a variety of careers in the social work field like Social Worker, Care Manager, Counsellor, Coordinators, Consultants, Executives, Fundraiser and job opportunities in Group A and Group B government services. In this context, the introduction of Master of Social Work would benefit both students, general public and society at different contexts. (Annexure-II)</p> <p>This matter is placed before this august forum for discussion and approval.</p>
	<p>Minutes Approved</p>
	<p>6.3.6 University Department Plan for 2025–2026</p> <p>We request the approval of university department plans for the 2025–2026 (Annexure-III)</p>
	<p>Minutes Approved</p>
	<p>6.3.7 Any Other</p> <p>(i) Board Member Dr. P.S. Mohan (Retired) HOD, Department of Chemistry, Syndicate Member, Bharathiar University, Coimbatore, has recommended to initiate the certificate courses on Solar System using the existing solar panel facilities of Periyar University. He further suggested establish a museum on forest products and Yoga Centre.</p>
	<p>Minutes Approved</p>

<p>(ii) Board Member Dr. G. Swaminathan, Professor of Civil Engineering, National Institute of Technology, Truchy, has recommended to identify marketability, reorientation of the faculty and many industrial connectivity towards practical oriented training and better carrier opportunities for students to be endrolled in immersive technology. He appreciated the initiatives of Periyar University to teach on Japanese language course and suggested to collaborate with Japanese scheme operated in Central University of Thiruvarur and other placement link in Japan to introduce skilled manpower requirement and the demand for professionals known Japanese language to empower its implementation. He also suggested to define the powers of the planning board.</p>
<p>Minutes Approved</p>
<p>(iii) Board Member Dr. G. Ramesh, Professor, Indian Institute of Management, Bangalore, has recommended to collaborate with Indian Institute of Management (IAM) for structuring directorate of placement.</p>
<p>Minutes Approved</p>
<p>(iv) Board Member Dr. G. Swaminathan has enquired about ythe progress of the research proposal to be submitted under ANRF–PAIR Schems. He appreciated the initiation of Periyar University and progress in the project submission</p>
<p>Minutes Approved</p>

PERIYAR UNIVERSITY

Proposed

Institutional Development Plan (IDP) 2025

(Abstract)

Periyar University Overview

Founded on 17th September 1997 by the Government of Tamil Nadu, Periyar University is named after the visionary social reformer E.V. Ramasamy, also known as "Thanthai Periyar." The university's mission is embodied in its motto, "ArivalVilayumUlagu" (Wisdom Maketh the World), with a focus on holistic student development. Serving the districts of Salem, Namakkal, Dharmapuri, and Krishnagiri, Periyar University is a NAAC A++ institution ranked 56th in India and 25th among state public universities (NIRF 2024).

Key Objectives of the IDP

The Institutional Development Plan (IDP) sets a roadmap for the university's growth in governance, quality, academic and research excellence, financial sustainability, infrastructure development, digital transformation, and community engagement. This plan aligns with the university's vision of becoming a globally recognized institution while fostering regional development.

1. Governance Enabler

- **Vision:** Establish transparent, inclusive, and technology-driven governance frameworks to promote accountability and efficiency.
- **Focus Areas:** Develop participatory decision-making processes, integrate technology for governance, and ensure ethical practices.
- **Key Strategies:**
 - Introduce a university scrutiny board for transparent administration.
 - Leverage AI tools for real-time monitoring and predictive analytics in decision-making.
 - Update statutory norms to reflect modern governance needs and ensure consistent leadership practices.

2. Achieving Quality

- **Vision:** Attain global recognition through quality teaching, research, and institutional performance.
- **Focus Areas:** Enhance teaching methodologies, align curricula with global standards, and promote faculty development.
- **Key Strategies:**
 - Incorporate immersive technologies like AR/VR into teaching-learning processes.
 - Regularly revise the curriculum in alignment with industry and skill development needs.
 - Strengthen the Internal Quality Assurance Cell (IQAC) to monitor and improve institutional performance metrics.
 - Facilitate international collaborations to boost rankings and global visibility.

3. Financial Enabler

- **Vision:** Ensure financial stability through diversified revenue streams and optimal resource utilization.
- **Focus Areas:** Increase external funding, encourage alumni contributions, and implement cost-saving initiatives.
- **Key Strategies:**
 - Revise fees annually based on inflation and market trends.

- Establish a dedicated alumni relations office to foster lifelong connections and secure donations.
- Promote consultancy services and monetize university resources like laboratories and training facilities.
- Strengthen corporate social responsibility (CSR) engagement to fund academic programs and infrastructure development.

4. Academic Excellence

- **Vision:** Deliver industry-aligned, skill-based, and research-driven education to produce globally competent graduates.
- **Focus Areas:** Foster blended learning, introduce interdisciplinary programs, and promote practical skill-building.
- **Key Strategies:**
 - Design curricula with a focus on multi-skilling and experiential learning components.
 - Collaborate with industries for co-developed programs and internships.
 - Develop e-learning platforms and virtual labs to enhance accessibility and learning flexibility.
 - Expand international partnerships for dual-degree and exchange programs.

5. Research Excellence

- **Vision:** Establish Periyar University as a hub for impactful and interdisciplinary research addressing regional and global challenges.
- **Focus Areas:** Encourage innovation, support entrepreneurship, and improve IPR output.
- **Key Strategies:**
 - Identify key research thrust areas aligned with the Sustainable Development Goals (SDGs).
 - Develop state-of-the-art research centers and provide seed funding for innovative projects.
 - Strengthen partnerships with industries and international institutions for collaborative research.
 - Expand the university's incubation center to support startups and entrepreneurship.

6. Networking and Collaboration

- **Vision:** Build a robust ecosystem of academic and industrial partnerships to enhance institutional capabilities and student outcomes.
- **Focus Areas:** Strengthen alumni networks, foster industry ties, and promote global academic collaborations.
- **Key Strategies:**
 - Establish global twinning programs with reputed universities for student and faculty exchange.
 - Develop an industry-innovation park for research commercialization and job creation.
 - Create a comprehensive alumni portal for networking, mentorship, and fundraising.
 - Organize academic, industry, and alumni conclaves to boost engagement and foster trust.

7. Human Resources

- **Vision:** Foster a motivated, skilled, and globally aligned workforce.
- **Focus Areas:** Address faculty industry exposure, skill development, and student learning attitudes.
- **Key Strategies:**
 - Introduce industry immersion programs and mandatory annual training for staff.
 - Launch performance-oriented reward systems and strengthen mentor-mentee initiatives.
 - Establish a Directorate for Human Resource Enhancement (DHRE) for continuous skill development.
 - Develop international faculty exchange programs and leadership training academies.

8. Infrastructure Development

- **Vision:** Develop an inclusive, sustainable, and state-of-the-art campus to support learning, research, and community engagement.

- **Focus Areas:** Upgrade facilities, integrate green initiatives, and improve accessibility.
- **Key Strategies:**
 - Build dedicated hostels for research scholars and accommodation facilities for sports events.
 - Establish a research and techno park for innovation and incubation activities.
 - Modernize classrooms, laboratories, and auditoriums with advanced technologies.
 - Expand renewable energy installations and adopt net-zero emission practices.

9. Digital Transformation

- **Vision:** Lead in leveraging digital technologies to enhance academic and administrative efficiency.
- **Focus Areas:** Digitalize learning resources, adopt AI-driven tools, and implement ERP solutions.
- **Key Strategies:**
 - Enhance the University Learning Management System (ULMS) with adaptive learning features.
 - Train faculty in blended learning techniques and create repositories of digital content.
 - Implement digital evaluation systems for faster and more accurate examination processes.
 - Transition to a paperless campus using e-governance practices.

10. Community Engagement

- **Vision:** Strengthen the university's societal impact through sustainable outreach initiatives and community collaboration.
- **Focus Areas:** Address regional issues, promote skill development, and foster sustainable development projects.
- **Key Strategies:**
 - Launch a university outreach club to coordinate service initiatives and student participation.
 - Develop partnerships with NGOs and local organizations for impactful community programs.
 - Organize awareness campaigns and training programs to empower local communities.
 - Establish a centre for community engagement to provide long-term strategic direction.

Conclusion

The IDP of Periyar University outlines a strategic framework to transform the university into a globally recognized institution of academic and research excellence. Through inclusive governance, innovative teaching, impactful research, sustainable financial practices, and robust community engagement, the university aims to contribute meaningfully to society while achieving international standards. This visionary plan reflects Periyar University's commitment to creating a vibrant learning environment and driving positive change at both regional and global levels.

Proposal to Introduce Master of Social Work

Items: To introduce Master of Social Work (MSW) in the Periyar University as a separate department from the academic year 2025–2026.

Background

The Department of Sociology has proposed to introduce a two year full-time Master of Social Work (MSW) programme as separate discipline under the Choice Based Credit System (CBCS) from the academic year 2025–2026. The proposed programme is introduced to meet the intensifying demand for scientifically gained manpower to ameliorate various social issues like child marriage, female foeticide, female infanticide, labourers in informal sectors, marital disputes, family disorganization, single parent headed family, slum dwellers and various forms of pollution. This two year post graduation programme able to addresses a variety of social work-related subjects, including as research and evaluation, social policy and advocacy, and human behavior and social systems. In order to give students actual experience in a real-world situation, the program also incorporates a substantial amount of hands-on training.

Mission of Master of Social Work

The program aims to prepare learners to be responsible practitioners and professionals capable of resolving crises using a humanitarian perspective. Similarly the learners will gain understanding of Social Work methodologies, skills, and approaches, enabling them to effectively address social concerns.

Scope of Master of Social Work

There are numerous scopes for pursuing the MSW degree program. First of all, it equips students with the information and abilities required to become licensed social workers, a highly desirable career with great employment and income opportunities. Second, the curriculum provides students with the chance to apply their knowledge and abilities in a real-world situation by giving them the chance to obtain practical experience through internships and placements. Last but not least, learning social work can be personally fulfilling since it enables students to positively impact the lives of others.

Objectives of the Master of Social Work

- ✓ To encourage professionalism in addressing human problems and difficulties.
- ✓ To use an integrated and multidisciplinary approach to enhance the current body of knowledge.
- ✓ To promote training, extension, and research in order to improve human resources.
- ✓ To address a range of contemporary social concerns those are plaguing the community.
- ✓ To improve professional abilities for social change.

Employment Opportunities: The degree opens up a range of diverse and fulfilling MSW job opportunities across various sectors:

- Clinical Social Worker
- Community Outreach Coordinator
- School Social Worker
- Policy Analyst/Advocate
- Medical Social Worker
- Substance Abuse Counsellor
- Human Services Manager
- Researcher/Evaluator
- Crisis Intervention Specialist
- Geriatric Social Worker
- Social Welfare Officer
- Labour Officer
- HR Manager

Proposed Course: Two years full time Master of Social Work consists of four semesters. All the four semesters, the

students have both theoretical as well as field based practical papers. Along with these papers, the students also have subjects related exposure visits and one month internship programme.

Number of Seats in Regular Programme: 30

Selection Procedure: Through Entrance Examination

Programme Fee: I Year MSW – Rs.15,340/-

II Year MSW – Rs.12980/-

Eligibility: Candidates who have passed the Under Graduate Programme from Periyar University or any other University approved by the Syndicate are eligible to admit MSW

Budget – Income and Expenditure

I MSW – Master of Social Work				
Income	30 students (I Year) x Rs.15,340 = Rs.4,60,200/-			
Expenditure	Designation	Numbers	Salary/Month	Total Salary
	Guest Lecturer	01	25,000	Rs.3,00,000/-
Total				Rs.3,00,000/-
II MSW				
Income	30 Students (I Year) x Rs.15,340 = Rs.4,60,200/-			
	30 Students (II Year) x Rs.12,980 = Rs.3,89,400/-			
	60 Students Total = Rs.8,49,600/-			
	Designation	Numbers	Salary/Month	Total Salary
	Guest Lecturer	02	25,000	Rs.6,00,000/-
Total Expenditure				Rs.9,00,000/-
Income Grand Total				Rs.13,09,800/-
Income Second Year				Rs.4,09,800/-

Fee Structure

S. No.	Fees Description	Fees for First year (Rs.)	Fees for Second Year (Rs.)
1.	Admission Fee	100	–
2.	Matriculation Fee	100	–
3.	Registration Fee	150	–
4.	Recognition Fee	250	–
5.	Caution Deposit (Refundable)	1000	–
6.	Identity Card	60	–
7.	Placement Fee	500	–
8.	Alumni Fee	200	–
9.	Library Fee	745	745
10.	Sports Fee	100	100
11.	Students Welfare Fund	75	75
12.	YRC	10	10
13.	Medical Insurance	30	30
14.	Tuition Fee	3440	3440
15.	Laboratory Fee/Invited Lecture	1700	1700
16.	Computer Lab and Internet Charge	1880	1880
17.	Field and Industrial Visit	5000	5000
	Total	15340	12980

8. The meeting of the Board of Studies conducted/to be conducted :

S.No.	Programme	Date	Time
1	BOS meeting (Conducted)	20.07.2023	10.00 AM
2	BOS meeting (To be Conducted)	08.09.2025	10.00 AM

9. New Programmes Proposed with Justification :

S. No.	New Programmes	Justification
1.	M.Sc., Clinical Laboratory Technology	The healthcare industry is increasingly reliant on advanced diagnostic tests for accurate disease detection and management. A Master's degree will prepare technologists with specialized skills to meet the growing demand for experts capable of operating advanced diagnostic equipment, analyzing complex data, and ensuring quality control.
2.	Certificate course in Clinical Laboratory Technology	Clinical laboratories are the backbone of healthcare systems, and there is a rising

		demand for trained professionals in clinical laboratory technology. There is a noticeable gap between the demand and supply of qualified laboratory technicians, especially in rural and underserved areas. A certificate course equips students with essential skills and knowledge, making them job-ready for diagnostic labs, hospitals, and research institutions.
3.	Diploma in Clinical Diagnosis	Many healthcare professionals, such as nurses, paramedics, and allied health workers, often require a foundational understanding of clinical diagnosis to support patient care effectively. A Diploma course provides focused, practical knowledge to enhance their diagnostic skills without the time commitment of a full degree program.

10. New Centers to be established with Justification : Nil

11. Seminars/workshops/conferences to be organized by the Department :

S.No	Name of the Programme	Topic	Tentative Week & Month
1.	One day conference	One day conference on " Conquering Cancer: Challenges, Progress, and the Path Forward"	Third week of Aug 2025
2.	Seminar	One day seminar on current scenario and future prospects of phyto medicine in health and disease	First week of Sep 2025
3.	Workshop	Hands on training on Real time PCR	First week of Jan 2026

12. Placement training with purpose :

S.No	Training Programmes	Purpose
1.	An Eye Opening Programme for Employment	Biochemists are employed in a wide range of industries, including healthcare, pharmaceuticals, research and development (R&D), agriculture, food production, and environmental science. The program prepares participants for employment in various sectors by focusing on practical, hands-on biochemistry skills that are relevant to multiple career paths.
2.	Plant Tissue Culture: From Laboratory to Field	Many plant tissue culture courses focus only on laboratory theory and techniques. This training program addresses both laboratory-based and field-based applications, ensuring a well-rounded education.
3.	Training in Clinical laboratory automated instrumentations	With an increasing shift toward automation in clinical labs, there is a growing demand for technicians skilled in operating complex automated systems in clinical laboratories. This programme will

	enhance the student's capability in clinical automation technology.
--	---

13. Extension activities to be conducted :

S.No	Name of Activity	Purpose
1.	Awareness Program on "Prevalence of anemia in children and women".	Addressing anemia aligns with India's commitment to achieving Sustainable Development Goals (SDGs) , such as improving maternal and child health, reducing malnutrition, and ensuring quality education. This initiative seeks to promote awareness and understanding in rural areas.
2.	Awareness Program on "Allergies Unmasked: What You Need to Know".	Allergies are highly manageable with proper awareness, including identifying triggers, understanding symptoms, and implementing prevention strategies. Awareness programs can empower individuals to adopt preventive measures and seek timely medical advice.
3.	Awareness Program on "Cancer: Early Detection Saves Lives".	Lack of knowledge about cancer symptoms, risk factors, and the importance of screening leads to delayed diagnosis and treatment. In rural and underserved communities, stigma and misconceptions about cancer deter individuals from seeking care. Awareness campaigns can address these gaps and encourage proactive health behaviours.
4.	Awareness Program on ""Living Well with Diabetes Starts with Awareness".	Diabetes, when uncontrolled, leads to severe complications, including cardiovascular diseases, kidney failure, vision loss, and nerve damage. Awareness campaigns can educate people on the importance of regular monitoring, medication adherence, and lifestyle modifications to prevent complications.

14. List of Visiting Professors to be invited with purpose :

(Tentative, to be finalized based on their availability)

S.No	Name	Purpose
1.	Dr. T. RAMESH Associate Professor Department of Biochemistry, College of Medicine, Prince Sattam Bin Abdulaziz University, P.O.Box: 173, Al-Kharj-11942 Kingdom of Saudi Arabia.	To focus on contemporary issues, emerging trends, or advanced techniques not currently covered in the existing curriculum in the field of Biochemistry.
2.	Dr. D. KARUNAGARAN Emeritus Professor Department of Biotechnology IIT madras Chennai	Interdisciplinary experience coupled with IITs expertise will, expose students and faculty to global practices and innovative methodologies.

3.	Dr. N. SENTHIL KUMAR Professor School of Life Sciences Central University of Mizoram Mizoram.	Workshops, seminars, and special lectures conducted by visiting professor with interdisciplinary and global experience provide additional learning opportunities

9. New Programmes proposed with Justification :

Diploma Course in Flower Biology and Pollination Ecology
Diploma Course:Mushroom Culture

Justification

Understand the Fundamentals of Pollen Biology: Start by grasping the basics of pollen structure, function, and development. Explore Pollination Mechanisms: Study the various modes of pollination, including biotic vectors like insects and birds, and abiotic factors such as wind and water. 4. Study Pollen's Role in Ecology and Evolution: Examine how pollen contributes. Applied aspects of pollen study, such as its use in paleoclimatology, archaeology, and forensics. Palynology, the study of pollen and spores, offers insights into historical vegetation patterns and environmental changes, making it a valuable tool in various scientific fields.

10. New Centers to be established with Justification: **Centre for Pollination Biology**

Justification

To create herbarium and specimen for various pollen and flowers.
 To study the structure of pollens in various plant species.

- To identify the floral structure and its habitants
- Pollens grains related to respiratory tract infections.
- To identify the plant and pollens grains related to forensic science

11. Seminars/ Workshops/Conferences to be organized by the Department:

S.No.	Name of the Programmes	Topic	Tentative Week & Month
1	Workshop	Plant Breeding with Advance Molecular Tools	17.10.2025
2	Workshop	Exploration of Medicinal Plants among Tribal Community	July 2025
3	International Conference	Traditional Medicine and Herbal Technology(AYUSH) National Medicinal Plant Board	1 st Week March 2026
4	International Conference	Biostimulant of PGPR to ameliorate the salt stress soil Paddy field	August 2025
5	Refresher Course for faculty funded by DST	–	September 2025
6	Workshop	Seaweed Polysaccharides Extraction, Characterization and Applications	First week of September, 2025
7	Placement Training	Exploring Careers in Botany: A Placement Training Program	Third week of August, 2025
8	Training Programme	Hands on Training on Edible Mushroom	Feb–2026
9	Workshop	Herbal Workshop	Feb–2026
10	Conference	Nanotechnology	Oct–2025
11	International Conference	Exploring new frontiers in bioscience and Nano–science	Feb–2026
12	Workshop	Edible Mushroom (Work shop)	Aug–2025

12. Placement Training with purpose

S. No	Training Programmes	Purpose
1.	Exploring Careers in Botany: A Placement Training Program	essence, the purpose of the Placement Training Program is to equip Botany students with a comprehensive set of skills, knowledge, and experiences that will prepare them for successful careers in the botanical sciences and related industries.

13. Extension activities to be conducted:

S.No.	Name of Activity	Purpose
1.	Awareness Programme on Tree Planting – Adopting Village –24.10.2025	To create awareness among the people regarding planting trees and dengue awareness

14. List of Visiting Professor to be invited with purpose :
(Tentative to be finalized based on their availability)

S.No.	Name	Purpose
1.	Dr. Nguyen Hoang Loc Professor and Head Department of Biotechnology Director of institute of Bioactive compounds University of sciences, Hue University Hue, Vietnam	Visiting Professor
2.	Dr. Douglas J. H. Shy Associate Professor Department of Biological Science and Technology National Pingtung University of Science and Technology Taiwan	Visiting Professor
3.	Prof. Kasem Soyong King Monktos University of Agriculture and Technology, LTKARABNG, Thailand.	Visiting Professor

15. Add on Courses planned with justification :

1. Herbal Technology (Paper code: 23PBOTVAC01)
2. Peace Education

Value added Course:

1. Mushroom Technology

16. Special Equipment/ Requirements :

S.No.	Name	Purpose	Amount(Rs)
1.	Fermentor (5L)	For Bacterial cultivation	3,50,000
2.	Rt – PCR	Need for identification of gene expression in crop & plants	2,50,000
3.	Vacuum Evaporator	Evaporators are commonly used to concentrate foods by using heat to evaporate water	3,00,000
4	Mushroom culture unit	The mushroom cultivation encourages the development of new food products and gives chances of employment for the people involved in the new industries/ commercial units.	2,00,000

Requirements

S.No.	Name	Purpose	Amount (Rs.)
1.	ALGAL CULTURE ROOM FACILITY	To establish a Microalgae Culture Room Facility at the Department of Botany. The facility will support teaching (Practical), research, development, and applications in plant biotechnology, pharmaceuticals, biofuels, aquaculture, and other key sectors.	34,50,000.00

17. Last Year what is Proposed and what is Achieved:

S.No.	Programme	No.of Proposed	No.of. Achieved
1	Visitors	-	-
2	Seminar/Workshop/Conference	03	03
3	Equipment's	01	01

8. The meeting of the Board of Studies conducted/to be conducted :

S.No.	Programme	Date	Time
1	Board of Studies	28-04-2023	11.00 A.M

9. New Programmes Proposed with Justification : **Additional Section.**

The M.Com program has experienced a consistent increase in applications over the past five years, rising from 71 in 2020–2021 to 150 in 2023–2024. This substantial growth highlights a sustained interest in the program, with current application numbers far surpassing those of earlier years. To address this demand, introducing an additional section for the academic year 2025–2026 is essential. This expansion will enable the program to accommodate the growing applicant pool and continue meeting the educational needs of a larger student population effectively.

Requirements

First Year – One Class Room, 40 Students Chairs and One LCD Projector with Screen

Second Year – One Class Room, 40 Students Chairs and One LCD Projector with Screen

10. New Centers to be established with Justification :

Centre for Entrepreneurship (In association with Department of Economics)

The Department of Commerce, in collaboration with the Department of Economics, is set to establish a Centre for Entrepreneurship Development for the 2025–26 academic year. This initiative is driven by the recognition of a significant need and demand for fostering entrepreneurial spirit and mindset among the general public. Tamil Nadu, as India's leading industrialized state and second–richest state, possesses the potential to emerge as a prominent industrial hub for both India and the Asian region. This presents a unique opportunity to leverage innovative ideas and drive economic transformation to new heights.

Vision

To be the leading disseminator of knowledge related to entrepreneurship through conducting programmes, research and information service.

Mission

To offer inputs for sustainable business for the development of the nation through cutting edge research on business, develop methods and tools in collaboration with the leading institutes of entrepreneurship in India and abroad.

Objectives

1. To conduct entrepreneurship development programme
2. To carry out research on the MSMEs and its development
3. To provide business inputs in tune with industry 5.0
4. To have tie ups and collaboration with the industry partners
5. To act as a platform for providing inputs for Government and policy making bodies
6. To train and compare industry endorsed skills to the needy stakeholders

Role of Centre for Entrepreneurship at Periyar University

The center will focus on research in entrepreneurship and the development of modern techniques tailored to meet industrial requirements, with a particular emphasis on start–ups. Key areas of focus include business process management, the application of scientific management principles, team building, and ensuring quality in the production and delivery of goods and services.

Experiential Learning

This initiative can be integrated into the Village Placement Programme (VPP). The programme aims to provide insights into the realities of rural communities, including resource availability, livelihoods, rural marketing, and entrepreneurship. It is a week–long initiative and an

integral part of the curriculum.

Expected Outcomes

- Building a dynamic knowledge base to drive industrial development.
- Cultivating business leaders in key areas of industrial and trade growth.
- Publishing high-quality research articles addressing critical issues in entrepreneurship.
- Implementing the center's developed models for business success.
- Securing copyrights and patents for innovative concepts and products.
- Promoting indigenous business growth within the University's jurisdiction.

11. Seminars/workshops/conferences to be organized by the Department :

S.No	Name of the Programme	Topic	Tentative Week & Month
1.	Workshop	Innovation and Entrepreneurship	2 nd Week of August, 2025.
2.	International Conference	AI in Business Development	3 rd week of September, 2025.
3.	National Conference	Sustainable Solution: Aligning Business with SDG's	4 th week of January 2026.
4.	Expert Talk	Professional Skill Development	2 nd week of February, 2026.

12. Placement training with purpose :

S.No	Training Programmes	Purpose
1.	Tally with ERP	To Develop the Accounting and Resource handling skills.
2.	Hands on Training on GST	To provide the Opportunity to gain practical Knowledge on GST Filing
3.	N SET & SET Coaching	To Train the students to pursue a career to Academia or Research.

13. Extension activities to be conducted :

S.No	Name of Activity	Purpose
1.	Adult Literacy programme in school	To improve the literacy rate among the adults.
2.	Tree plantation Drives	To promote and educate the importance of protecting the environment and planting of sapling
3.	Awareness campaigns	To educate nutrition hygiene, mental health and family wellbeing.
4.	Digital Literacy campaigns	To teach computer skills and smart usage.

14. List of Visiting Professors to be invited with purpose:

(Tentative, to be finalized based on their availability)

S.No	Name	Purpose
1.	Prof.K.S.Chandrasekar, Vice-Chancellor Cluster University of Jammu.	To share the expertise on research and application of advanced

		statistical techniques
2.	Chair.Prof.N.Kengatharan, Professor in Human Resource Management, University of Jaffna, Sri Lanka	To share the expertise on Human Resource Management and Human Resource Analytics and its applications on Industries

15. Add on courses planned with justification : Skill Development courses

1. Financial Analytics.
2. Marketing Analytics.

16. Special Equipments/Requirements :

S.No	Name	Purpose	Amount (Rs)
1	LCD infrared optical 3840x2160 interactive panel 75" & accessories with 4k OPS, Mobile stand & wall bracket.	1. To demonstrate the functioning of stock market. 2. To teach the online stock trading practices. 3. To facilitate seminar presentations skills of the students.	Rs.2,50,000/-
2	Separate fund for extension activity	Village adoption scheme/extension activities	Rs.15,000/-

17. Last Year what is Proposed and what is Achieved:

DEPARTMENT OF COMPUTER SCIENCE

1. Name of the Department : Department of Computer Science
2. Year of Establishment : 2002
3. No. of Faculty : 05

Professor	Associate Professor	Assistant Professor	Guest faculty
03	02	–	07

4. Programmes offered : 1. Master of Computer Applications (MCA) – intake 30
2. M.Sc (Computer Science)
3. M.Sc (Data Science)

5. Number of Ph.D, Scholars

- i. Full Time : 10
- ii. Part Time : 06

6. Number of PG Students

- i. I Year : MCA – 30, M.Sc. CS – 44, M.Sc. DS – 42
- ii. II Year : MCA – 29, M.Sc. CS – 42, M.Sc. DS – 33

7. Number of UG Students : NIL

8. The meeting of the Board of Studies conducted / to be conducted :

S.No.	Programme	Date	Time
1	Master of Computer Application (MCA)	07.10.2025	10.00 am
2	M.Sc., (Computer Science)	07.10.2025	10.00 am
3	M.Sc., (Data Science)	07.10.2025	10.00 am

9. New Programmes Proposed with Justification :

An additional section with intake of 30 seats of the MCA Programme will be introduced for the academic year 2026–2027.

Justification:

We have received more than 180 applications for the past three years. To meet out the increasing demand for M.C.A Programme, it is proposed to increase intake from 30 to 60 seats.

The last date for getting AICTE approval has been closed for the academic year 2025–2026. Hence, we have to obtain AICTE approval for increasing the intake of MCA Programme from 30 to 60 for the academic year 2026–2027 onwards.

10. New Centers to be established with Justification : NIL

11. Seminars/workshops/conferences to be organized by the Department :

S.No	Name of the Programme	Topic	Tentative Week & Month
1.	One day workshop	Cloud Computing	August 2025
2.	One day seminar	Cyber Security	July 2025
3.	Two day workshop	High performance computing and Game Technologies	July 2025
4.	Two day Workshop	Machine Learning and Its Applications	September 2025
5.	One day Symposium	FUSION BYTE 2K2025	October 2025
6.	Two day Conference	International Conference on AT and Data Science	January 2026

12. Placement training with purpose:

S.No	Training Programmes	Purpose
1.	Three days training programme on Aptitude	Placement Training
2.	Flawless English – A complete English Communication Course	Placement Training
3.	Career Guidance and Counseling	Placement Training

13. Extension activities to be conducted :

S.No	Name of Activity	Purpose
1.	Sensory Exploration Activity	To engage blind students through sensory driver educational tools
2.	Computer Awareness Programme	To engage school students to teach basic essential computer skills and fostering and understanding of technologies
3.	Awareness on Healthy Social Media Practices	To educate students on responsible social media use, promoting online safety, mental well-being, and the importance of maintaining healthy digital habits.
4.	Women Safety in Cyber World	To raise awareness about online threats and provide strategies for women to protect themselves from cyber bullying, harassment, and other cybercrimes, empowering them to navigate the digital space safely.

14. List of Visiting Professors to be invited with purpose:

(Tentative, to be finalized based on their availability)

S. No	Name	Purpose
01.	Dr.Nithya Rekha Sivakumar Associate Professor Department of Computer Science College of Computer and Information Sciences, Princess Nourah Bint Abdul Rahman University Riyadh, Kingdom of Saudi Arabia	To deliver special lecture in the area of mobile computing and Artificial Intelligence
02.	Dr.G.A.Preethi Assistant Professor Woosong University, South Korea.	To deliver special lecture in the area of seamless connectivity across networks (Wifi, Cellular, Bluetooth

		and IoT)
03.	Dr. M. Ashok Kumar, D.T.Ed.,M.B.A.,MCA.,M.Phil.,Ph.D.,PGDCS. HOD, Department of Computer Science, Software Engineering, Cyber Security and Data Science Skyline University Nigeria Office Address: No. 2, Zaria Road, Kano State, Nigeria.	To deliver special lecture in the area of Data Mining

15. Add on courses planned with justification :

Add-on Course	Content	Justification
AI Ethics and Bias	This course focuses on the ethical considerations and challenges associated with AI. It covers topics such as fairness, accountability, transparency, and privacy. Students will explore techniques to detect and mitigate biases in AI models.	This course helps students develop a well-rounded understanding of the societal impact of AI. It equips them with the tools and knowledge necessary to address ethical concerns in AI development.
Web Application Security	Web security protects networks, servers, and computer systems from damage to or the theft of software, hardware, or data. It includes defending computer systems from misdirecting or disrupting the services they are designed to provide.	<p>Web security is crucial for both individuals and businesses in today's digital landscape. Here are some key benefits of maintaining strong web security:</p> <p>Protect data: Web security protects all types of data, including sensitive data, Personally Identifiable Information (PII), and Protected Health Information (PHI).</p> <p>Save time and money: Web security training can help save time and money by preventing cyber-attacks and the damage they cause.</p> <p>Empower employees: Web security training can help employees understand cybercrimes and stay informed about threats.</p> <p>Avoid legal penalties: Web security can help organizations avoid legal fines and penalties.</p> <p>Stay ahead of competition: Web security can help organizations stay ahead of their competitors.</p>
Data Visualization on	1. Tableau	Tableau

<p>Tool using Tableau</p>	<p>Contents (Features and Capabilities):</p> <p>Drag-and-Drop Interface: User-friendly interface that allows users to create visualizations easily by dragging and dropping elements.</p> <p>Wide Variety of Visuals: Supports bar charts, line charts, scatter plots, pie charts, heat maps, tree maps, geographic maps, etc.</p> <p>Dashboard Creation: Ability to combine multiple visualizations into a single interactive dashboard.</p> <p>Real-Time Data Connection: Supports live data connections and can integrate with various databases (e.g., SQL, Google BigQuery).</p> <p>Tableau Prep: A tool for cleaning and transforming data before visualization.</p> <p>Storytelling: Allows the creation of a sequence of visualizations to convey a specific narrative.</p> <p>Advanced Analytics: Trend lines, forecasts, clusters, reference lines, etc.</p> <p>Sharing & Collaboration: Web-based sharing options and Tableau Server/Tableau Online for collaboration.</p> <p>Data Blending: Combines data from multiple sources for richer insights</p>	<ul style="list-style-type: none"> • Ease of Use: Tableau is ideal for users who want to quickly create interactive visualizations without needing to code. Its drag-and-drop interface makes it suitable for non-technical users, such as business analysts or executives. • High Interactivity: Tableau is highly interactive, making it useful for creating dashboards where users can filter and drill down into the data. • Visualization Power: Its visual capabilities are some of the best in the market, supporting rich, multi-dimensional visualizations.
<p>Advanced Data Analysis using Excel</p>	<p>Module 1: Introduction to Advanced Excel</p> <ol style="list-style-type: none"> 1. Recap of Basic Excel Functions 2. Importance of Advanced Data Analysis in Excel 3. Overview of Excel Add-ins for Analysis (e.g., Power Query, Power Pivot) <p>Module 2: Data Cleaning and Preparation</p> <ol style="list-style-type: none"> 1. Techniques for Handling Large Datasets <ul style="list-style-type: none"> ○ Sorting and Filtering ○ Removing Duplicates 2. Advanced Text Functions <ul style="list-style-type: none"> ○ TEXT, CONCATENATE, FIND, SUBSTITUTE, TRIM 3. Date and Time Data Handling 	<p>This course equips students with essential data analysis skills using Excel, enhancing their ability to interpret and utilize data effectively in their respective fields.</p>

- DATE, YEAR, MONTH, NETWORKDAYS

4. Using Power Query for Data Transformation

Module 3: Advanced Functions and Formulas

1. Array Formulas and Dynamic Arrays

- SEQUENCE, UNIQUE, FILTER, SORT

2. Logical and Lookup Functions

- Nested IF, IFS, XLOOKUP, VLOOKUP with MATCH

3. Statistical and Mathematical Functions

- FORECAST, TREND, LINEST
- SUMIFS, COUNTIFS, AVERAGEIFS

4. Advanced Error Handling

- IFERROR, ISERROR

Module 4: Data Visualization

1. Creating Dynamic Dashboards

- Interactive Elements with Slicers and Timelines

2. Advanced Charting Techniques

- Combo Charts, Waterfall Charts, Funnel Charts
- Conditional Formatting in Charts

3. Using Sparklines for Quick Insights

4. Introduction to Power BI Integration

Module 5: Data Analysis Tools

1. Using PivotTables and PivotCharts

- Advanced Features: Calculated Fields, Grouping

2. Scenario and What-If Analysis

- Goal Seek, Data Tables, Scenario Manager

	<p>3. Solver for Optimization Problems</p> <p>4. Data Analysis Toolpak</p> <ul style="list-style-type: none"> ○ Regression Analysis ○ Descriptive Statistics ○ Histogram and ANOVA

10. New Centres to be established with Justification

Centre for Entrepreneurship (in Association with the Department of Commerce, Periyar University)

Department of Economics in association with Department of Commerce is planning to start a Centre for Entrepreneurship Development for the academic year 2022-23. There is tremendous demand and need for the promotion of entrepreneurial culture and attitude among the masses. Tamil Nadu, being the leading industrialized state and the second wealthiest state in India has the potential to become an industrial hub for the entire India and the Asian nations. The estimated SGDP of Tamil Nadu for the financial year 2022-23 is Rs.24.85 lakh crores. There is greater room for the implementation of innovative ideas for the transformation of the economy and taking it to the next level on the economic arena.

Vision

To be the leading disseminator of knowledge related to entrepreneurship through conducting programmes, research and information service.

Mission

To offer inputs for sustainable business for the development of the nation through cutting edge research on business, develop methods and tools in collaboration with the leading institutes of entrepreneurship in India and abroad

Objectives

1. To conduct entrepreneurship development programme
2. To carry out research on the MSMEs and its development
3. To provide business inputs in tune with industry 4.0
4. To have tie ups and collaboration with the industry partners
5. To act as a platform for providing inputs for Government and Policy making bodies
6. To train and compare industry endorsed skills to the needy stakeholders

Role of Centre for Entrepreneurship at Periyar University

Research in Entrepreneurship and Development of modern techniques as per the industrial requirements, particularly start-ups will be the prime area of the centre. It comprises business process management, implementation of scientific management, team building, ensuring quality in the production and delivery of goods and services.

Experiential Learning –

This can be adopted as a part of the Village placement programme. (VPP). This programme will be introduced to understand the reality of rural population, resources availability, livelihood, rural marketing and rural entrepreneurship etc. This is a week programme and part of this curriculum.

Expected Outcomes

1. Creation of vibrant knowledge base for the industrial development
2. Business leaders in the potential areas of development in industry and trade
3. Publishing quality research articles related to pressing issues of entrepreneurship
4. Applying the model developed at the centre for successful business
5. Obtaining copyrights and patents for new concepts and products
6. Developing indigenous business with respect to the firms in the University jurisdiction

11. Seminars/workshops/conference to be organized by the Department

S.No	Name of the Programme	Topic	Tentative Week & Month
Quarter I (July–Sep 2025)			
1.	Workshop	Legal Framework in India	Third Week of July 2025
2.	Endowment Lecture	Co-operation	1 st week of August 2025
3.	Extension activity	Village Adoption Scheme	August 2025
4.	Training Programme	Fire Safety and Precaution	1 st week of September 2025
5.	Survey	Localising SDGS w.r.t Goal 12 (Responsible Consumption and Production)	2 nd Week of September 2025
Quarter II (Oct–Dec 2025)			
6.	Training Programme	Entrepreneurship	1 st Week of October 2025

7.	Endowment Lecture	Agricultural economics	Last week of October 2025
8.	Extension Activity	Village Adoption Scheme	1 st Week of November 2025
9.	Revisit & resurvey	Localising SDGS w.r.t Goal 12 (Responsible Consumption and Production)	2 nd Week of November 2025
10.	Seminar	Farm distress: Innovative Ideas to Bring Agriculture Back to Life	3rd Week of November 2025
Quarter III (Jan–March 2026)			
11.	Endowment Lecture	Environment	1st week of January 2026
12.	Special Lecture	Mechanisation of Indian Agriculture	4th week of January 2026
13.	Revisit & resurvey	Localising SDGS w.r.t Goal 12 (Responsible Consumption and Production)	2 nd Week of February 2026
Quarter IV (April– June 2026)			
14	Endowment Lecture	Industrial Economics	April 2026
15	Workshop	Research Methodology and SPSS	May 2026
16	Internship		
17	Revisit & Resurvey	Localising SDGS w.r.t Goal 12 (Responsible Consumption and Production)	June 2026

12. Placement training with purpose

S.No	Training Programmes	Purpose
1	Data Segregation and Extraction using social sciences packages	Beneficial to the students and research scholars and highly helpful in Data Analysis and policy making
2	Tally with GST	Training the students for career in banking and business
3	Coaching for NET/SET, Quiz	Making the students ready for the teaching and research positions

13. Extension activities to be conducted

S.No	Name of Activity	Purpose
1	Environmental Awareness programme in Mecheri Block	To sensitize the people on the need for maintaining the environment and avoiding pollution
2	Visit to Pannavadi in Mettur Taluk	Assessing the impact of Shifting cultivation among the farmers who had lost their land in the Mettur Dam during August 2025
3	Localising SDGs	Survey, Report preparation and to ensure the success of 2030 Agenda in January 2026

14. List of Visiting Professors to be invited with purpose

(Tentative to be finalized based on their availability)

S.No	Name of the Visiting Faculty	Purpose
1	Prof.S. Madheswaran Institute of Social and Economic Change (ISEC), Bengaluru	To enhance research and analytical skills to students and scholars on monetary policies and economic development
2	Prof.Palanithurai Visiting Faculty Impact and Policy Research Institute, Delhi	Analysis on local bodies, Local Finance and their relevance to the contemporary Indian Economy
3	Prof.Prasant Kumar Panda Economic Advisor, Ministry of Finance Govt of India Pondicherry University	To introduce the new and advanced concepts in Economics and Econometrics leading to policy making
4	Prof.N.Rajagopal Professor Department of Economics Central University of Tamil Nadu, Tiruvarur	To provide in-depth ideas on application of Health Economics and public utility services
5	Dr.R.Ramesh Head, Centre for Rural Infrastructure National Institute of Rural Development & Panchayat Raj rramesh.nird@gov.in	To impart ideas on Drinking Water and Sanitation, Proposal Writing, Strategic Planning, Logframes, Development Research, Communication for Development
6.	Dr.L.Venkatachalam Professor (RBI Chair)	Environmental valuation

15. Add on courses planned with justification

S.No	Course	Justification
1	Social Entrepreneurship	To make the students aware of the new field of entrepreneurship and helpful to start NGOs
2	Health Technology and Assessment	To impart knowledge on health economics concepts in practical situation in association with health technology
3	Disaster Management	To provide strategies for the mitigation of the disasters and prepare the students for all natural calamities
4	Precision Farming	To impart training to students on the precision farming and revenue generation
5	Logistics Management	To train the participants on the recent logistics and increase the employability

16. Special Equipments/Requirements

: Nil

S.No	Name	Purpose	Amount
--	--	--	--

17. Last Year what is proposed and what is achieved:

S. No	Programme	No. of Proposed	No. of Achieved
01	Endowment Lecture	06	05
02	Workshop	01	01
03	Training	01	01
04	Seminar	01	To be conducted February 2025
05	Extension activities	03	02

DEPARTMENT OF EDUCATION

1. Name of the Department : Education
2. Year of Establishment : 2005
3. No. of Faculty : 08

Professor	Associate Professor	Assistant Professor	Principal
02	01	03	02

4. Programmes offered : 1. B.Ed P/T
2. M.Ed
3. PhD
5. Number of Ph.D, Scholars
- i. Full Time : 17
- ii. Part Time : 16
6. Number of PG Students
- i. I Year : 08
- ii. II Year : 06
7. Number of UG Students :
- i. I Year : No admission –
Recognition given to run
B.Ed (P/T) Programme
was withdrawn by the NCTE
- ii. II Year : 12
- iii. III Year : 15

8. The meeting of the Board of Studies conducted/to be conducted :

S.No.	Programme	Date	Time
1	M. Ed (to be conducted)	09.04.2025	11 am

9. New Programmes Proposed with Justification : Nil
10. New Centers to be established with Justification : Nil
11. Seminars/workshops/conferences to be organized by the Department :

S.No	Name of the Programme	Topic	Tentative Week & Month
1.	Workshop	Online tools for data analysis	4 th week of July 2025
2.	Seminar	NEP –2020 in Higher Education	3 rd Week of October 2025
3.	Conference	AI in Education	4 th Week of January 2026
4.	Workshop	E–Content Development	4 th Week of February 2026

12. Placement training with purpose :

S.No	Training Programmes	Purpose
1	UGC NET/SET coaching	Scholars clear in NET/SET exams.
2	Internship Training for M.Ed students in schools	To Develop Teaching competency of M.Ed students to handle the school children
3.	Internship Training for M.Ed students in Colleges	To Develop Teaching competency of M.Ed students to handle the B.Ed students

13. Extension activities to be conducted :

S.No	Name of Activity	Purpose
1.	Health Awareness under Village Adoption	Made hygienic in village
2.	Conduct Competitions to School students	Know and development their skills
3.	Environment awareness – plastics	Importance of cleanness
4.	Adult literacy Enhancement programme	To enhance the adult literacy
5.	Child abuse awareness	To Develop the school students mental health
6.	Basic communication to school students	To develop the speaking skills for school students

14. List of Visiting Professors to be invited with purpose :

(Tentative, to be finalized based on their availability)

S.No	Name	Purpose
1.	Dr.Viswanathappa	Explain the NEP 2020
2	Dr. K.Thiyagu	E-Content Development
3	Dr. P. Srinivasan	Objectives of NEP –2020

15. Add on courses planned with justification :

1. Education for Sustainable Development Goals 4.0
2. Design and Development of Self-Learning Resources

16. Special Equipments/Requirements

:Nil

S.No	Name	Purpose	Amount (Rs)
1.	Interactive white Board	To suit the smart class room	3,00,000/-

17. Last Year what is Proposed and what is Achieved:

S. No	Programme	No. of Proposed	No. of Achieved
1	Visitors	09	01
2	Seminar / Workshops/ Conference	03	01
3	Equipments	--	--
4	Centres	--	--
5	Any others	--	--

DEPARTMENT OF ENERGY STUDIES & TECHNOLOGY

1. Name of the Department : Energy Science & Technology

2. Year of Establishment : 2015

3. No. of Faculty :

Professor	Associate Professor	Assistant Professor	Guest faculty
1	–	3	5

4. Programmes offered : 1. M.Sc., Energy Science
2. M.Tech Energy Technology

5. Number of Ph.D, Scholars

i. Full Time : 11

ii. Part Time : 5

6. Number of PG Students

i. I Year : M.Sc–15, M.Tech – 12

ii. II Year : M.Sc–15, M.Tech – 12

7. Number of UG Students

i. I Year : –

ii. II Year : –

iii. III Year : –

8. The meeting of the Board of Studies to be conducted : March –2026

9. New Programmes Proposed with Justification : Nil

10. New Centers to be established with Justification : NIL

11. Seminars/workshops/conferences to be organized by the Department :

S.No.	Name of the Programme	Topic	Tentative Week & Month
1.	Seminar	Advancements in Renewable Energy Technologies	2 nd week of September – 2025
2.	Conference	Energy Efficiency and Sustainability in Industrial Applications	1 st week of November – 2025
3.	FDP	Energy Technology	4 th week of November – 2025
4.	Seminar	Artificial Intelligence and Machine Learning in Energy Systems Optimization	1 st week of January – 2026
5.	Seminar	Decarbonizing the Energy Sector: Technologies, Policies, and Implementation Strategies	2 nd week of March –2026

12. Placement training with purpose :

S.No	Training Programmes	Purpose
1.	Carrier Guidance Programme – 2 nd week of December –2025	Job opportunity Awareness
2.	Carrier Guidance Programme – 2 nd week of February –2026	Job opportunity Awareness
3.	Carrier Guidance Programme – 4 th week of March –2026	Job opportunity Awareness

13. Extension activities to be conducted :

S.No	Name of Activity	Purpose
1.	Village Adoption	Kollapatty Village– Awareness Program on Efficient way of disposing waste – 1 st week of September 2025
2.	Village Adoption	Kollapatty Village – Medical camps – 2 nd week of November – 2025
3.	Village Adoption	Kollapatty Village – Promoting village sports – 2 nd week of January –2026
4.	Village Adoption	Kollapatty Village – Constitutional awareness – 1 st week of February 2026
5.	Village Adoption	Kollapatty Village – Improve GER – 1 st week of March 2026
6.	Village Adoption	Kollapatty Village – Energy literacy awareness – 1 st week of April 2026
7.	Industrial Visit	To gather Knowledge on E–Vehicle assembly – 4 th week of February – 2026
8.	MoU	To get benefits like Internship, Placement, Industrial Visit and Research Activities which are addressed towards the department and University growth particularly for PG and Ph.D students

14. List of Visiting Professors to be invited with purpose :

(Tentative, to be finalized based on their availability)

S.No	Name	Purpose
1.	Dr. T.V.Arjunan Professor of Mechanical Engineering Guru Ghasidas Viswavidyalaya (Central University) Bilaspur, Chhattisgarh	Conference
2.	Dr.R.Vijayan Principal Government College of Engineering, Salem	Special Lecture
3.	Dr. G Prabusankar, Professor of Chemistry Indian Institute of Technology Hyderabad Kandi–502284, Sangareddy Telangana	Conference
4.	Dr. S. Karuppuchamy Professor & Head Department of Energy Science Alagappa University, Karaikudi	Seminar
5.	Dr. Ramesh Professor Department of Electrical and Electronics Engineering Anna University, Chennai	Conference
6.	Dr. S Arungalai Vendan, Professor of Department of Electronics and Communication, Dayananda Sagar University Bengalore	Conference

7.	Dr. P Thilagan Professor Department Green Energy Technology Madanjeet School of Green Energy Technologies, Pondicherry University, Kalapet. Pondicherry	conference
8.	Dr. K. Balaji Associate Professor Department of Mechanical Engineering Amrita Vishwa Vidyapeetham (Deemed to be University) Coimbatore-641 112 8825574547 k_balaji@cb.amrita.edu	Special Lecture
9.	Dr. M K Aravindan Associate Professor Department of Mechanical Engineering (Energy and Environmental Management) Faculty of Engineering & Technology Jain (Deemed-to-be University) Bengaluru-562 112	Seminar

15. Add on courses planned with justification :

S.No	Course Title	Tentative date	Justification
1.	Materials for Energy Application	Odd Semester	To enhance the understanding of advanced materials critical to energy systems, integrating interdisciplinary knowledge and preparing students for innovations in renewable energy, Conversion of waste to Energy, energy storage, and sustainable technologies.
2.	Biomass and its Conversion Technologies	Even Semester	

16. Equipments/Requirements :

S.No	Name	Purpose	Amount in Rs
1	Engine test rig <i>Kirloskar, 4 Stroke single Cylinder vertical water cooled 5 HP, 1500 RPM, Electrical loading</i>	A diesel engine test rig is essential for alternative fuel research as it provides a controlled environment to evaluate the performance, combustion, and emission characteristics of newly prepared liquid fuels. It enables precise measurement of engine parameters such as thermal efficiency, fuel consumption, heat release rate, cylinder pressure, carbon emission, smoke emission, hydrocarbon emission, etc., ensuring reliable data for optimizing fuel formulations and reducing emissions effectively.	400000
2	Rectangular Automatic Dip Coater <i>Brand :Delta</i>	To coat precise, uniform thin film deposition critical for research in solar panels and supercapacitor electrodes. Its automated control of dipping parameters enhances repeatability and film quality,	Rs. 95000

	<i>Scientific Equipment Pvt. Ltd Model Name/Number: DELTADIP-MC Temperature Rangel: 300° C, Speed range : 1 to 600 mm/min</i>	enabling efficient optimization of coatings for improved photovoltaic efficiency and energy storage performance. Ideal for consistent, scalable research applications	
3.	Krykard ALM-36 Power Quality Analyser Number of channels 4U/4I Voltage (TRMS AC + DC) 2V to 2000V ph-ph / 2V to 1000V ph-N Voltage ratio Up to 500 kV Current (TRMS AC + DC) 5 mA to 10,000 Aac/ 10 mA to 5000 Adc (depending onClamp)Current ratio Up to 60 kA Frequency 42.5 to 69 Hz Power values W, VA, VAr, VAD, PF, DPF, cos ϕ , tan ϕ Energy values Wh, VAh, VArh, Dh Voltage Accuracy $\pm(0.5\% + 1V)$	To measure, analyze, and monitor electrical parameters to ensure optimal power quality in various environments. They measure voltage, current, frequency, power factor, and energy consumption while detecting disturbances like harmonics, flicker, sag, and swell. PQAs provide insights into power efficiency and diagnose potential issues by analyzing parameters such as RMS and peak values of voltage and current, harmonic distortion (THD), flicker levels, and power density. By enabling accurate monitoring and diagnostics, PQAs play a critical role in maintaining system performance, improving energy efficiency, and minimizing downtime in electrical systems	Rs. 5,40,000

17. Last Year what is Proposed and what is Achieved:

S. No	Programme	No. of Proposed	No. of Achieved

2	Seminar / Workshops/ Conference	6	9
3	Equipments	-	1
4	Centres	-	-
5	Any others (Alumni, Parents – Teacher Meeting)	2	2

DEPARTMENT OF ENGLISH

1. Name of the Department : English
2. Year of Establishment : 2008
3. No. of Faculty : 05

Professor and Head	Associate Professor	Assistant Professor	Guest faculty
1	1	2	1

4. Programmes offered : 1. M. A
2. Ph. D

5. Number of Ph.D Scholars
- i. Full Time : 06
- ii. Part Time : 02

6. Number of PG Students
- i. I Year : 09 (2024 –2026)
- ii. II Year : 17 (2023 –2025)

7. Number of UG Students : Nil
- i. I Year
- ii. II Year
- iii. III Year

8. The meeting of the Board of Studies to be conducted :

S.No.	Programme	Date	Time
1	M. A English (University Department)	September 2025	10.30 a.m.

9. New Programmes Proposed with Justification : Not Applicable

10. New Centers to be established with Justification : Not Applicable

11. Seminars/workshops/conferences to be organized by the Department :

S.No	Name of the Programme	Topic	Tentative Week & Month
1.	National Seminar	Environmental Humanities	September 2025
2.	Prof. N. Krishnaswamy and Prof. Lalitha Krishnaswamy Endowment Sixth Lecture	World Literature	August 2025

12. Placement training with purpose :

S.No	Training Programmes	Purpose
1.	Career Guidance offered by Mr.Sooraj Muralidharan, Third Eye Foundation	To inculcate confidence in the students and choose their career in a purposeful manner
2.	Employability Skills: offered by : Rotary Club	To enhance the students' ability to face interviews/Campus placements and be successful

13. Extension activities to be conducted :

S.No	Name of Activity	Purpose
1.	Narnampalayam (Mattukaranur Village) Government ADW Higher Secondary School for the adopted village School students especially VI, VII, VIII students.	To conduct street play and puppet show to enhance spoken skills July 25, September 25 and February 26.

14. List of Visiting Professors to be invited with purpose:

(Tentative, to be finalized based on their availability)

S. No	Name	Purpose
1.	Dr. V. Bharathi Harishankar Vice Chancellor Avinashilingam institute for Home Science and Higher Education for Women ,Coimbatore	To deliver special Lecture on the Recent Developments in Translation Studies
2.	Dr. S. Prabakar Professor and Head Department of English Manonmaniam Sundaranar University, Tirunelveli	To deliver Prof N.Krishnaswamy and Prof. Lalitha Krishnaswamy Endowment Sixth Lecture
3.	Dr. B. Hariharan Professor, Institute of English University of Kerala, Thiruvananthapuram	Resource person – Latest Trends in Literary Approaches

15. Add on courses planned with justification: Trait Approaches to Literature and Soft Skills

16. Special Equipments/Requirements : Nil

DEPARTMENT OF ENVIRONMENTAL SCIENCE

1. Name of the Department : Environmental Science
2. Year of Establishment : 2011
3. No. of Faculty : 06

Professor	Associate Professor	Assistant Professor	Guest faculty
02	–	04	04

4. Programmes offered : 1. M.Sc. Environmental Science
2. Integrated M.Sc. Environmental Science
3. Ph.D. Environmental Science

5. Number of Ph.D. Scholars

- i. Full Time :8
- ii. Part Time :11

6. Number of PG Students

- i. I Year : 7
- ii. II Year : 4
- iii. IV Year (Integrated M.Sc.) : 6
- iv. V Year (Integrated M.Sc.) : 11

7. Number of UG Students (Integrated M.Sc.) :

- i. I Year : 20
- ii. II Year : 2
- iii. III Year : 8

8. The meeting of the Board of Studies conducted/to be conducted:

S.No.	Programme	Date	Time
1	MSc Environmental Science	30.05-2022	11:00 AM
2	M.Sc Environmental Science (Integrated)	1. 30.05.2022 2. 30.06.2022	11:00 AM 11:00 AM
3	MSc Environmental Science & Environmental Science (Integrated)	April 2025	

9. New Programmes Proposed with Justification : Nil

10. New Centers to be established with Justification : Nil

11. Seminars/workshops/conferences to be organized by the Department:

S. No.	Name of the Programme	Topic	Tentative Week & Month
1.	International Conference	Two Day Conference on Waste Resource Recovery and Circular Economy	2 nd Week of August 2025

2.	Seminar	Seminar on World Ozone Day	3 rd Week of September 2025
3.	Workshop	Workshop on Environmental Analytical Techniques	1 st Week of October 2025
4.	Seminar	National Pollution Prevention Day Seminar	1 st Week of October 2025
5.	Conference	Two Days Conference on "Sustainable Wastewater Treatment and Recycling"	3 rd Week of March 2026

12. Placement training with purpose :

S. No.	Training Programmes	Purpose
01	Training programme on Environmental Analysis through Industrial Partner	To provide various analytical skills for monitoring environmental pollutants. This programme will enhance the student's ability to get placed in environmental monitoring
02	Training programme on Environmental Impact Assessment Analysis through Industrial Partner	To provide training in EIA and to develop skills to get placement in EIA firms.
03	Training Programme on Environmental and Green Audit through industry partner	Deep knowledge and skills is required to work in environmental audit firm. This training programme will held the student's capability

13. Extension activities to be conducted:

S.No.	Name of Activity	Purpose
1.	Village Adoption Programme – Best Environmental Practices for Rural School Students and Public	Clean and hygienic environment is necessary for healthy human life.
2.	Village Adoption Programme – Environmental Protocol Related with level SDGs	This programme aim at making awareness among public about SDGs and contributions of SDG to achieve the goals.
3.	Village Adoption Programme – Sustainable Farming Practices to the Farmers	Awareness on sustainable farming practices is very important. This programme aims to provide climate resilient sustainable agriculture
4	World Environment Day Awareness	To provide awareness on environmental protection and conservation, and pollution free soundings.
5	Soil Health Awareness	To provide awareness on soil health and conservation for farmers.
6	Environmental Education	To provide formal environmental education in the adopted village.

14. List of Visiting Professors to be invited with purpose :

(Tentative, to be finalized based on their availability)

S.No.	Name	Purpose
1.	Dr. V. Anbumozhi, Director of Research Strategy and Innovation, Economic Research Institute for ASEAN and East Asia.	Research collaboration with ERIA and Periyar University on mutually interested areas.
2.	Prof. Jonathan W.C. Wong, Hong Kong Polytechnic University, Hong Kong.	To have collaboration research and exchange knowledge on resource recovery
3.	Dr S Venkata Mohan, Chief Scientist, Bioengineering and Environmental Sciences Lab, CSIR-IICT, Hyderabad	To establish collaborative research and provide exposure to students on bioenergy

15. Add on courses planned with justification : Nil

16. Special Equipments/Requirements :

S.No.	Name	Purpose	Amount (Rs)
5.	Inductively Coupled Plasma Mass Spectrometry (ICP-MS)	Trace level analysis of metals from environmental and biological materials	1,50,00,000.00
6.	UV-Vis Spectrophotometer	This is a basic equipment required for PG and Ph.D. research programme	20,00,000.00

17. Last Year what is Proposed and what is Achieved:

S. No	Programme	No. of Proposed	No. of Achieved
1	Visitors	4	1

DEPARTMENT OF FOOD SCIENCE AND NUTRITION

1. Name of the Department : Food Science and Nutrition
 2. Year of Establishment : 2005
 3. No. of Faculty : 07+05

Professor	Associate Professor	Assistant Professor	Guest Faculty
03	01	03	05

4. Programmes offered:
 1. B.Voc. Food Science and Nutrition
 2. M.Sc. Food Science, Technology and Nutrition
 3. Ph.D. Food Science, Technology and Nutrition
5. Number of Ph.D, Scholars
 i. Full Time : 10
 ii. Part Time : 13
6. Number of PG Students
 i. I Year : 30
 ii. II Year : 30
7. Number of UG Students
 i. I Year : 50
 ii. II Year : 49
 iii. III Year : 45
8. The meeting of the Board of Studies conducted/to be conducted:

S.No.	Programme	Date	Time
1.	UG BoS Conducted in 2023–2024	10.08.2023	10.00 AM to 1.00 PM
2.	PG BoS Conducted in 2023–2024	13.07.2023	10.00 AM to 1.00 PM
3.	Interim board of studies (UG/PG)	29 th May 2025	10.00 AM to 4.00 PM
4.	BOS for PG curriculum structure for 2026–27	June 2025	10.00 AM to 4.00 PM

9. New Programmes Proposed with Justification : Certificate course on art of baking
 Certificate course on precision nutrition
 Certificate course on instrumentation

Certificate Programme on Art of baking: It's a skill oriented programme. One can equip himself and start their own business. Become an entrepreneur or Food quality control manager in any bakery industry, or food inspector, food quality controller in industry

Certificate Course on Precision Nutrition: Through the Nutrition counselling centre of the department this course will be offered. Using the portal created for online counselling will used to gain knowledge on personalised nutrition and counselling

Certificate course on instrumentation: With increasing consumer awareness and regulatory requirements, there is a growing need for trained professionals skilled in food instrumentation to ensure product quality, safety, and compliance with global standards. Rapid advancements in food processing and analytical technologies have led to the development of sophisticated instruments such as HPLC (High–Performance Liquid Chromatography), GC–MS (Gas Chromatography–Mass Spectrometry), NIR Spectroscopy, and texture analyzers.

A certificate program will equip learners with the necessary technical expertise to operate and interpret data from these advanced instruments. Food industries, research laboratories, and regulatory bodies report a shortage of professionals skilled in food instrumentation and analysis. This program can bridge the gap by providing hands-on training in handling, calibrating, and troubleshooting modern food instrumentation tools.

10. New Centres to be established with Justification : Nutrition Counselling Centre

Nutrition Counselling Centre is proposed in the year 2022–2023, accordingly the Department has established minimum facilities required for Nutrition Counselling Centre. Case studies based research is proposed for personalized nutrition care processes in the M.Sc. Curriculum and exemplified the templates to be used. Based on that, the department has proposed to create a Web page for the Nutrition Counselling Centre with the support of the Computer Science Department. The department is framing a policy to implement Diet Counselling Consultancy in the Nutrition Counselling Centre through University Portal by inviting alumni of our department to act as diet counsellors. Permission obtained from Administration on 05.12.2024 vide PU/R/PL&D2/B.Voc.FSN/Permission/22225/24F108819/2024 for creating Web page for the Nutrition Counselling Centre.

11. Seminars/workshops/conferences to be organized by the Department:

a. 2024–2025

S.No.	Name of the Programme	Topic	Tentative Week & Month
1.	Two Days Workshop	Computational Tools and Techniques in Protein Sequencing	Feb. 13th and 14th 2025
2.	National Seminar	Trends in food and nutrition for sustainable health care	Feb 20 th and 21 st 2025
3.	Hand on Training	Advanced Instruments Handling – UV Spectrophotometer, DSC, HPLC, Spray Drier, Brookfield Viscometer, Hunter Lab Colorimeter, Water Activity Meter)	One day session for each Instrument – January – 1, February – 1, March – 1, April – 1
4.	Fostac training (Empanelled Training Partner)	Basic Manufacturing (Level 1) & Advance Manufacturing (Level 2) for Food Handlers	12 (3– Completed Training dates: 24.09.2024, 01.10.2024 & 09.10.2024) (9 to be Completed)
5.	Two days training programme (I year B.Voc.)	"Beyond Fresh: Transforming Fruits and Vegetables for Extended Use" (QP – Multiskill Technician) SDG Goal 9 – Industry, Innovation and Infrastructure	13.01.2025 to 14.01.2025
6.	Two days workshop (II Year B.Voc)	"Smart Innovations in Food Processing Techniques" (QP – Supervisor (Food Processing Industries)) SDG Goal 9 – Industry, Innovation and Infrastructure	23.01.2025 to 24.01.2025
7.	Two days National Symposium (III Year B.Voc)	"Revolutionizing Food Production Management with STEAM Integration" (QP – Food Production Manager) SDG Goal 9 – Industry, Innovation and	03.02.2025 to 04.02.2025

		Infrastructure	
8.	Tamil Workshop (II and III Year B.Voc)	Professional Tamil – LSRW Skills in Tamil	20.02.2025 to 21.02.2025

b. 2025–2026

S.No.	Name of the Programme	Topic	Tentative Week & Month
1.	National Seminar	National conference on 'Harnessing emerging technological and latest innovations for agricultural and food system transformation	January 2026
2.	Workshop	Workshop on computational tools and techniques in Food and Nutrition Research	October 2025 and February 2026
3.	Hands on Training	Advanced Instruments Handling – UV Spectrophotometer, DSC, HPLC, Spray Drier, Brookfield Viscometer, Hunter Lab Colorimeter, Water Activity Meter)	One day session for each Instrument per quarter
4.	FDP	Tools and Techniques for Modern Food Systems	May 2025
5.	EDP	Smart Food Solutions: Entrepreneurship in Nutrition and Food Technology	December 2025
6.	Fostac training (Empanelled Training Partner)	Basic Manufacturing (Level 1) & Advance Manufacturing (Level 2) for Food Handlers SDG Goal 9 – Industry, Innovation and Infrastructure	12 (1–2 per month)
7.	Two days Workshop (I year B.Voc.)	"Innovations in Food Handling: Trends, Challenges and Solutions" SDG Goal 9 – Industry, Innovation and Infrastructure	First Week of September 2025
8.	Four days Intense Training Programme (II Year B.Voc)	"Next–Gen Baking: Creating Trendsetting Bakery Products" SDG Goal 9 – Industry, Innovation and Infrastructure	First Week of October 2025
9.	Two days National Symposium (III Year B.Voc)	"Community Nutrition: Building Resilient and Healthy Societies" SDG Goal 3 – Good Health and Wellbeing	Second Week of January 2026

12. Placement training with purpose:

a.2024–2025

S.No.	Training Programme	Purpose
1.	Career Guidance Lecture Series: one lecture for each job role (January – 2, February – 2, March – 2, April – 2) SDG Goal 8 – Decent Work and Economic Growth	Career Opportunities at National and International Level (Food Scientist, Food Auditor, Food Analyst, Food Plant Manager, Nutritionist, Diet Counsellor, Dietician, Researcher, Teaching Professional)
2.	Alumni Lecture series	Experience Sharing on Skill Enhancement and Capacity Building for Better Job Performance
3.	Campus Drive Alumni, III B.Voc. and II M.Sc. in the month of Feb. 2025	To increase placement percentage of students in most renowned industries and institutes

	SDG Goal 8 – Decent Work and Economic Growth	
4.	Career Empowerment Series on "Enhancing Emotional Intelligence and Interpersonal Skills" (I, II and III Year B.Voc.) – 11.02.2025 to 13.02.2025 SDG Goal 8 – Decent Work and Economic Growth	To improve the communication and soft skills required by industries

b. 2025–2026

S.No.	Training Programme	Purpose
1.	Career Guidance Lecture Series: one lecture for each job role (One lecture per Quarter) SDG Goal 8 – Decent Work and Economic Growth	Career Opportunities at National and International Level (Food Scientist, Food Auditor, Food Analyst, Food Plant Manager, Nutritionist, Diet Counsellor, Dietician, Researcher, Teaching Professional)
2.	Training programme on "From Campus to Corporate: Mastering Soft Skills for Placement" (One training per Quarter) SDG Goal 8 – Decent Work and Economic Growth	To equip students with essential soft skills and interpersonal competencies, bridging the gap between academic life and professional success, ensuring readiness for placement and career advancement
3.	Alumni Lecture series	Experience Sharing on Skill Enhancement and Capacity Building for Better Job Performance

13. Extension activities to be conducted (2024–25):

S.No	Name of Activity	Purpose
1.	Tamil Nadu State Agricultural Marketing Board (Training Centre), Salem, Uthamacholapuram	Training to Farmers, Assistant Agricultural Officers & Agricultural Officers (Outreach Activity)
2.	Awareness on Food Hazards	One week Community camp in the adopted village (I M.Sc. FSTN Students) – Feb, 2025 (Extension Activity)
3.	Sevak Foundation, USA	Sevak Training for each student to act as a Sevak in their own village by a student trainer (II B.Voc. FSN student as a trainer is volunteered and attending the ToT at Gujarat with the permission of University – 18.12.2024 to 24.12.2024) – II B.Voc. FSN students are nominated for this extension activity
4.	Global Indian Scientists and Technocrats Forum (GIST), USA – Aahar Kranti Initiative launched by Dr.A.P.J.Abdul Kalam	Fatima School at Omalur is selected for this school nutrition program and children are capacitated on eat right process as per the training manual issued by Aahar Kranti Organization, Government of India approved NGO (I B.Voc and II M.Sc. FSTN students are nominated for this activity)
5.	Arokkiya Bharathi, Tamil Nadu	Nutrition Education to Pregnant and Lactating Mothers – Garbh Sanskar Initiative (III B.Voc. FSN) in the adopted village

Extension activities to be conducted (2025–26)

S.No	Name of Activity	Purpose
1.	Tamil Nadu State Agricultural Marketing Board (Training Centre), Salem, Uthamacholapuram (As per the dates suggested by Training Centre)	Training to Farmers, Assistant Agricultural Officers & Agricultural Officers (Outreach Activity)
2.	Nutritional status assessment and nutrition education programme at Vengayanoor (August 2025 – World Breast Feeding Week celebration)	Educating rural women folk fo improve nutritional and health development and the importance of breast feeding
3.	Food Safety Awareness at Venganoor (October 2025 – World Food Day Event)	Educating rural women folk fo improve food safety and hygiene
4.	Eat Right Campus Certification of Periyar University (July to March 2026)	To certify Periyar University campus as Eat Right Campus under Eat Right India Movement
5.	Capacity Building Programme for ICDS Workers (September 2025 – Nutrition Week Celebration)	To empower the anganwadi and ICDS workers on sound nutritious food preparation by following recent dietary guidelines

14. List of Visiting Professors to be invited with purpose :

- a. Dr.R.Ananthan, Scientist E, Food Chemistry and Nutrient Analysis Division, National Institute of Nutrition, Hyderabad – 30 hours virtual course on Proximate Composition Analysis of Food
- b. Dr.D.Shanthi, Programme Director for Post Graduate Diploma in Diabetes Management, Senior Lecturer in Division of Nutrition and Dietetics, International Medical University, Malaysia – 15 days virtual event on "Practicing NCP for Precision Personalised Nutrition: A Priori Intervention"

15. Add on courses planned with justification:

S.No.	Name of the Course	Beneficiaries	Justification
1.	Village Nutrition Intervention	B.Voc. Food Science and Nutrition (2023–24 Batch)	Extra Credit Course – To provide learning on analysing the requirements of village people
2.	Food Forensics and Cybersecurity	B.Voc. Food Science and Nutrition	To empower the students on Forensics and Cybersecurity status in food industries (Dr.T.Poongodi Vijayakumar and Dr.M.Deepa)
3.	Gastronomy	M.Sc. Food Science Technology and Nutrition	Each faculty would like to offer one value added course (Dr.S.Thilagavathi)
4.	Computational Techniques in Food Science and Technology Research	M.Sc. Food Science Technology and Nutrition	Each faculty would like to offer one value added course (Dr.J.Prakash Maran)

5.	Addressing Hunger and Malnutrition With Food Fortification	M.Sc. Food Science Technology and Nutrition	Each faculty would like to offer one value added course (Dr.K.Karthikeyan)
6.	Medical Coding	M.Sc. Food Science Technology and Nutrition	Offered in association with THOUGHTFLOWS– Medical coding company

16. Special Equipments/ Requirements:

S.No.	Name	Purpose	Amount
1.	Millipore – Water Purification Unit (ThermoFischer Scientific Company)	Advanced Instrumentation analysis require this facility	Rs. 6 lakh
2.	Semi–Automated Biochemistry Analyzer	Biochemical Analysis Practical (M.Sc. Food Science Technology and Nutrition)	Rs. 4.5 lakh
3.	Fermentation chamber	Bakery unit (B.Voc. Food Science and Nutrition)	Rs.3 lakh
4.	Digital White Board with Android App (75 inch)	UG and PG classrooms – 05	Rs.1.5 lakh (each)

17. Last Year what is Proposed and what is Achieved:

S. No.	Programme	No. of Proposed	No. of Achieved
1	Visiting Faculty Programme	a. Dr.R.Ananthan Scientist, Food Chemistry and Nutrient Analysis National Institute of Nutrition, Hyderabad b. Dr. Padmini Balagopal, Registered Dietician, Diabetes Educator, and Board Certified Lactation Consultant, USA c. Dr.Esther F. Myers Director, Nutrition Care Professional, Academy of Nutrition and Dietetics, USA	Nil (Due to delay in Module Framework and Acceptance provided by the proposed Visiting Faculty)
2	Seminar / Workshops/ Conference	a. FoSTaC Training – 12 b. Special Lecture/Webinar – 04 c. Student Seminar – 04 d. Training/Workshop – 03 e. Executive Development Programme – 01 f. DEPARTMENT OF GEOLOGY

1. Name of the Department : Geology
 2. Year of Establishment : 1997
 3. No. of Faculty : 06

Professor	Associate Professor	Assistant Professor	Guest faculty
02	01	01	02

4. Programmes offered: I. M.Sc., Geology
 II. Ph.D., Geology

5. Number of Ph.D Scholars
 i. Full Time : 13
 ii. Part Time : 12

6. Number of PG Students
 i. I Year : 20
 ii. II Year : 40

7. Number of UG Students
 i. I Year : Nil
 ii. II Year : Nil
 iii. III Year : Nil

8. The meeting of the Board of studies conducted

S. No	Programme	Date	Time
1.	M.Sc., Geology	28.06.2024	11.00 am

9. New Programmes Proposed with Justification:

- I. M.Tech., Programme Exploration Geology and Geoinformatics
- II. PG Diploma and Certificate Courses Water Resource and Management practices
- III. Add on Courses Medical Geology
- IV. Value Added Courses Climate Change Mitigation and Adaptation

10. New Centers to be established with Justification : Nil

11. Seminars/ Workshops/ Conferences to be organized by the Department

Sl. No.	Name of the Programme	Topic	Tentative Week & Month
1	Workshop	Recent developments in Stratigraphy	6-7, Feb 2025
2	Seminar	Current Trends in Mining	20-21, Mar. 2025
3	Workshop	Applications of Remote Sensing, GIS & GPS in Natural Resources Management	21-22, Aug. 2025
4	Conference	Recent Development and Challenges in Geosciences	18-19, Dec. 2025

5	Departmental Events	Water Day (22.03.2025)	21.03.2025
		Geologist Day (06.04.2025)	04.04.2025
		Earth Day	22.04.2025
		Parents and Teacher Meeting	25.07.2025
		Fossil Day	16.10.2025
		Alumni Meeting	17.10.2025

12. Placement training with Purpose

S. No	Training Programmes	Purpose
1	Aptitude/Model / Mock test for Competitive Exams	Placement
2	Remote Servicing & GIS Training	Placement
3	Mud- logging Training	Placement
4	Career Opportunities in Mining	Placement

13. Extension activities to be conducted

S. No	Name of Activity	Purpose
1	Rock and Mineral Exhibition (03.04.2025)	To Create awareness among the student's community
2	Village Adoption Scheme, Paravakaradu, Karuppur (08.08.2025)	To educate school students about the significance of geology
3	Public Awareness Programme for Prevention and Control of Fluorosis(07.02.2025)	Educate the public about the health impacts of fluoride contamination in water
4	Rain Water Harvesting and Conservation Strategies(21.03.2025)	Enhanced awareness of water conservation techniques
5	National Space day(24.09.2025)	To Create awareness among the student's community
6	Earth Science for school Teacher / Students (05.11.2025)	Awareness Programme

14. List of Visiting Professors to be invited with purpose :

(Tentative to be finalized based on their availability)

S. No	Name	Purpose
1	Prof. Dr. R. Nagarajan , Dean, Director – Research, Curtin University, Malaysia.	Special lecture
2	Dr. S. Neelamani , Senior Research Scientist, Environmental & Life Sciences Research Centre, Kuwait Institute for Scientific Research Kuwait.	Special lecture
3	Prof. Dr. David Menier , University of South Brittany, France.	Special lecture
4	Dr. Sankaran Rajendran , Environmental Science Center, Qatar University, Qatar.	Special lecture
5	Prof. Dr. S. Anbazhagan , Adjunct Professor, National Institute of Advanced Studies, Indian Institute Of Science Campus, Bengaluru – 560 012, India.	Special lecture

6	Prof. Dr. G Parthasarathy, Adjunct Professor, National Institute of Advanced Studies, Indian Institute Of Science Campus, Bengaluru – 560 012, India.	Special lecture
7	Dr. Sankar Karuppanan, Assistant professor, Adama Science & Technology University, Adama, Ethiopia.	Special lecture

15. Add on courses planned with justification :
i) Medical Geology
ii) Climate Change Mitigation and Adaptation
iii) Disaster Management

16. Special Equipment's/ Requirements :
1. Geological Hammer – 20
2. Brunton Compass – 20
3. Clinometer Compass –20
4. Chisel Tip Hammer –20
5. Field camera with GPS

Sl. No	Name of Activity	Purpose	Amount (Rs)
1	Geological Field work	Rock sampling/geological mapping (measuring Dip and Strike)	5, 00,000

17. Last Year what is proposed and what is achieved :

S. No	Programme	No. of Proposed	No. of Achieved
1	International Level Conference	01	01

2.	M.A JMC (E.M) 5 Year Integrated Board of Studies	22-07-2025 11.00 AM

9. New Programme Proposed with Justification : – NIL–

10. New Centre to be established with Justification: Centre for Tamil Media Studies –
Training and Research

Aim:

The Centre for **Tamil Media Studies Training and Research** typically focuses on promoting academic studies and research in Tamil media to preserve and enhance Tamil language, culture and communication in various forms of media. The centre will develop the nuances of digital journalistic skill sets among local and regional journalists.

The Centre for Tamil Media studies would be staffed with the existing academic and research faculties who will be accompanied with working journalist, who are well versed with highest level of experience in various media domains like newspaper, television, radio and online newsrooms.

Objectives:

- To cultivate Tamil Digital Media Technological skills among Tamil Journalists.
- To promote Tamil Media Literacy across various media platform.
- To professionally train the working Journalists at Taluk and district levels.
- To inculcate Media Professionalism and Research among students.
- To publish books and publications related to Tamil Journalism.
- To develop the Encyclopaedia for Tamil Journalism.
- To facilitate Tamil Journalism related research/seminars/conferences etc.
- To construct a professional archive for Tamil Journalism.
- To develop a dictionary for Tamil Journalism.

The Proposed Centre will act as a hub between working Journalists and aspirants.

11. Seminars/Workshops/Conferences to be organized by the Department:

S.NO	NAME OF THE PROGRAMME	TOPIC	TENTATIVE WEEK & MONTH	FACULTY
1	Workshop	Professional News Anchoring and Compeering	July- 2025	Dr.R.Subramani Associate Professor
2	Workshop	E-content development	July-2025	Dr.Maa. Thamizhparithi Assistant Professor

DEPARTMENT OF MANAGEMENT STUDIES

- 1 Name of the Department : Department of Management Studies
 2 Year of Establishment : 2005
 3 No of Faculty : 10

Professor	Associate Professor	Assistant Professor	Guest Faculty
07	–	02	01

- 4 Programmes Offered : MBA – General Management
 MBA – Export and Import Management

- 5 Number of Ph.D. Scholars : I. Full–Time 14
 :
 II. Part–Time 18
 :

- 6 Number of PG Students : I. Ist Year 93
 :
 II. IInd Year 90
 :

- 7 Number of UG Students : I. Ist Year Nil
 :
 II. IInd Year Nil
 :
 III. IIIrdYear : Nil

- 8 The meeting of the Board of Studies to be conducted:

S.NO	PROGRAMME	TENTATIVE DATE	TIME
1	MBA – General Management	First week of May 2025	10.30 AM
2	MBA – Export and Import Management	First week of May 2025	10.30 AM

- 9 New Programme Proposed with Justification: **MBA – Agro Entrepreneurship**

The agricultural sector plays a pivotal role in global economic growth, food security, rural development, and environmental sustainability. However, it faces increasing challenges such as climate change, resource depletion, and rising demand for food and fiber. At the same time, agricultural entrepreneurship presents vast opportunities for innovation, value creation, and economic development, especially in emerging economies.

An MBA in Agro Entrepreneurship is designed to provide MBA students with a specialized skill set that merges traditional business administration with the complexities and opportunities of the agricultural sector. This program is developed to address the evolving needs of the agricultural industry while empowering students with the knowledge and expertise to lead businesses that drive sustainability, innovation, and economic growth in this critical field.

Objectives of the MBA–Agro Entrepreneurship:

- To Equip students with the leadership and entrepreneurial skills needed to drive growth, innovation, and sustainability within the agricultural sector.

- To Provide students with a strong foundation in agricultural business management, including financial analysis, strategic planning, marketing, and supply chain management, with a focus on the unique challenges of the agricultural industry.
- To Enable students to understand and address global challenges in agriculture, such as food security, climate change, rural poverty, and the economic pressures facing farmers.

10. New Centre to be established with Justification: Centre for Export Promotion

Department of Management Studies launched MBA Export Import Management Course in the Academic Year 2021–2022 onwards. The foremost aim of this course is to promote export entrepreneurship in this region. In order to achieve this task, the separate Export promotion Centre is required. The aim of this Centre is to create awareness about the export opportunities and export entrepreneurial culture among the student's community.

Objectives of the Export Promotion Centre:

- To promote student export entrepreneur in this region
- To promote large number of export entrepreneur among the public
- To assess the foreign opportunities for our local product.
- To Providing facilitation for resolving industrial problems to enhance the growth of the industrial environment.
- To develop the industrial database of all the major fields.
- To provide support for trades and exhibitions.
- To provide international marketing exposure.

11. Seminars / Workshops/ Conferences to be organized by the Department:

S. No	Name of the Programme	Topic	Tentative Week & Month
1	One day Workshop on Sales and Marketing strategies	Sales and Marketing strategies	Second Week February 2025
2	8 th International Conference at Srilanka	Social Transformation and Upliftment of Economy through Entrepreneurship Culture, Innovation and Export Promotion in the Digitalized Era" (ICEIEDE – 2025)	Last week of February 2025
3	International Conference	Building an inclusive and Green economy for Viksit Bharat 2027	March First Week, 2025
4	Corporate Skills	Interview Skills	March 2025
5	Regional Seminar	"Business Strategies in the AIERA "	Second Week April 2025
6	Workshop for II Year Students	Career Opportunities in Investment Market	3 rd Week of April 2025
7	Corporate Skills	Soft Skills	May 2025
8	International Seminar Green economy and sustainability	Green economy and sustainability	First Week May 2025
9	National level Seminar	Export Entrepreneurship	Last week of June 2025
10	Workshop	Executive Marketing & Business Development	Last week of July 2025
11	Work shop for I Year Students	Career Opportunities in Investment Market	1 st Week of August, 2025
12	International conference	Digital Marketing	Last week of September 2025

13	International level Seminar	Entrepreneurship, Innovation and Export	Last week of October 2025
14	9 th International conference at United Kingdom, London	Innovation Ecosystem: Fostering Entrepreneurship and Export growth in globalized Environment– ICIEE 2025)	Last week of November 2025
15	Workshop	Life Skill Education	December last Week 2025
16	Training Workshop for students on business Etiquette	Soft Skill & Business Etiquette	3 rd week of January 2026
17	9 th International conference at Japan	Shaping the Future of Global Trade: Export Entrepreneurship and Innovation"	Last week of Feb 2026
18	Workshop Managerial Skill Training	Managerial Skill Training	Last Week March 2026
19	Workshop for 1 st year Students	Awareness on stock Market and Investment	Fourth Week of April 2026

12. Placement Training with Purpose:

S.NO	Training Programme	Purpose
1	OBT on Leadership Skills	Employability
2	Workshop Employability Enhancement Programme	Placement Enhancement
3	Outbound Training Programme	Leadership Skills

13. Extension activities to be conducted:

S.NO	Name of The Activity	Purpose
1	Eye Testing camp @ Village Adoption Programme	To Create awareness about eye care among the elders and children in adopted village
2	Health Awareness Programme/Camp	As Part of the activities under the Village Adoption Scheme.
3	Village Adoption Programme I	To Provide Entrepreneurship Awareness to the Village People.
4	Business Expo	To promote Export and Entrepreneurship Development.
5	8 th Management Meet	To Explore the individual traits of Individual Students.
6	Mega Agri Expo	To promote Agricultural Entrepreneurship and Export among Students and Local Entrepreneurs.
7	Village Adoption Programme II	To create Export awareness among rural people.
8	Village Adoption Programme III	To Promote a Financial Planning awareness for the rural people
9	Village Adoption Programme IV	To Provide Investment Awareness to the Village People.

10	Art of Parenting	To upskill Parents mentality
11	Alumni's Talk show	To upskill Students

14. List of Visiting Professors/ Experts to be invited with Purpose:

S.NO	Name	Purpose
1	T.KAYALVIZHI, Young Professional,TNRTP–VKP Thabovanam, Karapadi (Po),Sathy(Tk)	New Business Ideas.
2	Mr.C.SENTHIL, Manager, Kiruthiga Exports,Kiruthiga International Pvt. Ltd, Salem	Better Job Opportunities
3	Mr.SIVANANDHAN, Branch Manager, (Export credit guarantee Corporations), ECGC Ltd, Salem	EPC experience Networking and career development opportunities for students
4	Dr.SARAVANAN P, Professor, Indian Institute of Management, Tiruchirappalli	Role of Micro industries in Promoting Exporting business
5	Dr. KAUP MOHAMMED Vice Chancellor,London American City College, Dean, London American University College, Dubai, United Arab Emirates.	Recent trends in Management Education
6	Sree.M.SIVAKUMAR, General Manager, District Industries Centre, Salem	Provide key role models to students and enhance students'
7	Mr. S. SIVARAMAN Advocate and consultant,Foreign trade policy, EXIM Advisor, Chennai– 10.	Provide opportunities for developing create a new entrepreneur
8	Dr.BAHRULMAZI EDRAK, Dean, K2 School of Business and Design,Saito University College,Malaysia	Recent trends in Financial Sector in the Global Scenario
9	Mrs.P.L. SREE DEVI, Regional Head, Southern Region, Export Promotion Council for Handicrafts,Bangalore	Present information about a variety of Export Promotion careers for Handicrafts Products.
10	Dr. M.BHOOPAL, Assistant Professor,Department of Management Studies, Manonmaniam Sundaranar University, Tirunelveli	Encourage and support for teaching collaborations with industry for benefits of Management Students
11	Mr.RAJAMURTHY, Chairman, Export Promotion Centre, Tamilnadu Chamber of Commerce and Trade,Madurai	Entrepreneurship Development Programme motivates the students to become a dedicated entrepreneur.
12	Mr. JAYASANKAR, Project Officer, EDII Ahmadabad, Salem	To discuss about the Working Process of Logistics to export students
13	Dr. N.MADHAVAN, Professor,Dept of Business Administration, Annamalai University,Chidambaram.	To know about the Insurance policy for the Exporters

14	Mr.RUBAN HOBDA Y, Reginal Head, The Plastics Export Promotion Council, Chennai	To Aware the Export Students to know about the Product Description and Buyer Identification
15	Dr.M.THENMOZHI Professor & Head,Indian Institute of Technology Madras,Chennai –600 036.	To discuss with export students about Benefits of Exporters

15. Add on Courses planned with justifications:

i) Investments, Instruments and Portfolio Management

This course is designed to equip students with a comprehensive understanding of financial markets and the investment tools required to make informed decisions. By exploring both the theory and practical applications of investments, students will develop critical skills in portfolio management, asset allocation, and risk management.

The course will also emphasize the importance of staying updated with evolving market trends and regulatory changes. This will not only improve students' ability to adapt to dynamic market conditions but also prepare them for the ethical challenges that arise in finance, such as managing conflicts of interest and ensuring responsible investing. Ultimately, this course is tailored to help students become well-rounded professionals who can navigate the complexities of the financial world and emerge as leaders in their respective fields.

ii) Stock Market Investment and Trading

The course on "Stock Market Investment and Trading" is a timely and valuable addition to the curriculum. It meets the growing demand for financial literacy, provides students with vital skills for both personal and professional growth, and equips them with the tools needed to understand and navigate the complexities of global financial markets. This course is designed to enhance the overall educational experience, preparing students for both career success and personal financial stability.

16. Special Equipment's / Requirements:

S.NO	Name	Purpose	Amount
1	Digital board	Smart Class room	Rs. 2,00,000
2	Lift	Benefit of handicapped Students	Rs.7,00,000

17. Last Year What is Proposed and what is Achieved:

5. Number of Ph.D, Scholars
- i. Full Time : 21
- ii. Part Time : 6
6. Number of PG Students
- i. I Year : 30
- ii. II Year : 30
7. Number of UG Students : Not Applicable
8. The meeting of the Board of Studies conducted/to be conducted :

S.No.	Programme	Date	Time
1	M.Sc Microbiology	14.02.2025	11.00

9. New Programmes Proposed with Justification: **Certificate Course on Quality Control in Industries**

10. New Centers to be established with Justification: **Centre for Disease Prediction and Management**

:

It is proposed to establish a centre for Disease prediction and Management in the Department of Microbiology, Periyar University, Salem. The main focus of the centre is to predict the outbreak of diseases and provide timely guidance to curtail epidemic and pandemic diseases like malaria, Dengue and Chikungunya, Brain fever , Neisseria meningitidis, Japanese encephalitis virus (JEV), air and water borne diseases , Swine flu (H1N1) , Ebola, corona virus and cholera in Collaboration with the National and International reputed Institutes.

11. Seminars/workshops/conferences to be organized by the Department

S.No	Name of the Programme	Topic	Tentative Week & Month
1	One Day Workshop	Workshop on HPLC, GCMS, SEM and EDX Techniques	8 th August 2025
2	Two Days National Seminar	National Seminar on Recent Trends and Advances in Clinical Microbiology	3–4 September 2025
3	One Day Workshop	Workshop on Molecular Techniques	6 th October, 2025
4	Three Days International Conference	International Conference on Recent Developments and Opportunities in Microbiological Research	4–6 February 2026

12. Placement training with purpose :

S.No	Training Programmes	Purpose
1.	Training programme for Pharma job Aspirants.	To train the students to get placed in the reputed pharmaceutical Industries.
2..	Training programme for Clinical Microbiologist.	To train the students to get the skills required for placement in Reputed Hospitals as Clinical Microbiologist.
3.	Soft skills Programme for Post graduate Students.	To train the students for appearing and facing the Interview Board.
4.	Soft skills Programme for Students & Researchers	To train the students in preparing for CV, Appearing for Interview and participating in Group discussion.

13. Extension activities to be conducted :

S.No	Name of Activity	Purpose
1.	Leprosy awareness	Leprosy control
2.	Dengue awareness	Dengue prevention
3.	Awareness related to healthy and hygienic practices	Healthy disease free lifestyle
4.	Malaria eradication and vector control	Malaria control
5.	Awareness for environmental cleanliness and home composting	Pollution free environment
6.	Awareness to control infectious diseases	Infectious disease control

14. List of Visiting Professors to be invited with purpose :

S.No	Name	Purpose
1.	Dr. MadhyasthaHarishkumar, Department of Physiology, University of Miyazaki, Japan	International Conference
2..	Dr R Gowrisankar, Principal Scientist MERCK, Rahway , USA	International Conference
3..	Dr. Shankar Manoharan, Assistant Professor DBT / Wellcome Trust India Alliance, Early Career Fellow Department of Bioscience and Bioengineering Indian Institute of Technology, Jodhpur	Special Lecture Programme
4.	Dr Rajesh Viswanathan, Ph. D. IISER Tirupati,	Special Lecture Programme
5.	Dr Antony V Samrot, Director, Research Management Center, Manipal University College Malaysia, Melaka, Malaysia	International Conference

15. Add on courses planned with justifications: **Quality control in pharmaceutical industries**

16. Special Equipments / Requirements :

S.No	Name	Purpose	Amount (Rs)
1	Stackable Shaker incubator	A specialized laboratory device designed for simultaneous incubation and agitation of multiple samples, with the added feature of being stackable,	10 Lakhs

		conserving valuable laboratory space. These Instruments provide a controlled environment with adjustable temperature settings and shaking modes (typically orbital or reciprocal), ensuring consistent and uniform conditions for microbial culture, cell growth, and molecular biology applications. Stackable shaker incubators are equipped with digital controls, programmable protocols, and alarms, allowing researches to maintain precise experimental parameters.	
2	Nano Drop	It can Precisely quantify the DNA, RNA and Protein in the given sample. Hence this equipment will be useful for PG Microbiology students for their practical's and also for PhD scholars to assay the biomolecules	7.00 Lakhs

17. Last Year what is Proposed and what is Achieved:

S. No	Name of the Programme	Topic	Tentative Week & Month
1.	Seminar	Nutrition and gut health	2 nd week of September 2025
2.	Workshop	Empowering cardiac health	1 st week of October 2025
3.	Workshop	Diabetes and well being	1 st week of November 2025
4.	National conference	Personalized Nutrition Therapy for Holistic Health	3 rd week of January 2026
5.	Special lecture	Power of pulses	3 rd week of February 2026

12. Placement training with purpose :

S.No	Training Programmes	Purpose
1.	Communication and Counseling skills	Skill Development (1st week of August 2025)
2.	Aptitude and Skill Enhancement Training	Skill Development (1st week of October 2025)
3.	Mock Interview programme	Skill Development (1st week of February 2026)

13. Extension activities to be conducted :

S. No	Name of Activity	Purpose
1.	Public Awareness Programme at the adopted village Kotagoundampatti. Topic : "Protecting the public from the addiction of tobacco"	Tobacco free society (August 2025)
2.	Public Awareness Programme at the adopted village Kotagoundampatti. Topic : "Promoting healthy aging"	To create awareness about healthy aging (October 2025)
3.	Public Awareness Programme at the adopted village Kotagoundampatti. Topic : "Cultivating inner peace through meditation"	To create awareness about stress free living (January 2026)
4.	Public Awareness Programme at the adopted village Kotagoundampatti. Topic : "The power of positive relationship"	To create awareness about the importance of relationship (February 2026)

14. List of Visiting Professors to be invited with purpose:

S.No	Visiting Professor	Purpose
1.	Dr.Ravinder Singh, Sr.Scientist, ICMR, New Delhi	To deliver special lecture in the field of nutrition and health
2.	Dr. Chamila Vinodanee Liyanage, Professor, Dept. of Food Science & Technology, Faculty of Livestock, Fisheries and Nutrition, Wayamba University of Sri Lanka.	To deliver lecture on current approaches in novel food formulations
3.	Dr.Norhasmah Sulaiman, Associate Professor & Head, Dept. of Nutrition and Dietetics, Faculty of Medicine and Health Sciences, Universiti Putra Malaysia, Selangor, Malaysia	To deliver lecture on community health

15. Add on courses planned with justification :

S.No	Add on course	Justification
1.	Health and fitness	To acquire knowledge about the nutritional requirement and also to learn how to provide adequate nutrition to ensure good health

16. Special Equipments/Requirements :

S.No	Name	Purpose	Amount
1.	Soxhlet apparatus (automatic)	To determine the fat and oil content in food samples.	Rs.7,00,000/-
2.	Automated Fiber Analyser	To determine the fiber content in food samples	Rs.7,00,000/-

17. Last year what is proposed and what is achieved

DEPARTMENT OF ZOOLOGY

1. Name of the Department : Zoology
2. Year of Establishment : 2012
3. No. of Faculty : 8

Professor	Associate Professor	Assistant Professor	Guest faculty
2	0	4	2

4. Programmes offered : 1.M.Sc Zoology
2.M.Sc Biomedical Sciences
3.Ph.D in Zoology
5. Number of Ph.D, Scholars : 22
- i. Full Time : 14
- ii. Part Time : 08
6. Number of PG Students
- i. I Year : 27(Zool) +10 (BMS) =37
- ii. II Year : 29 (Zool) +10 (BMS)=39
7. Number of UG Students : Not Applicable
- i. I Year
- ii. II Year
- iii. III Year
8. The meeting of the Board of Studies conducted/to be conducted :

S.No.	Programme	Date	Time
1	Zoology Board of studies	23.03.2025	11.00 AM
2	Biomedical Sciences Board of studies	23.03.2025	11.00 AM
3	Ph.D Course Work	23.03.2025	11.00 AM

9. New Programmes Proposed with Justification :

Online Certificate Courses for M.Sc., Zoology

Students of Periyar University Affiliated Colleges as they are struggling to enrol in Swayam/ NOOC/ NPTL Courses and based on their Request through the College authorities. Furthermore it could be a necessity for this Department to face the Next NAAC.

10. New Centers to be established with Justification :

Regional Centre for Cell Science

Based on research papers published in world class journals throughPubMed database search we noticed that many researchers from other institution/organization in Southern part of our country working on cell culture studies.However, Bharathiar and Bharathidasan, Alagappa, Manonmaniam, PondicherryUniversities are working on cell culture studies by obtaining support from theDepartment of Zoology, Periyar University. These informations clearly justify thatPeriyar University is fit for establishing the Regional Centre for Cell Science underDBT SAHAJ Programme.

11. Seminars/workshops/conferences to be organized by the Department :

S.No	Name of the Programme	Topic	Tentative Week & Month
1.	International seminar	On Physiology and Medicine	2 nd week, July 2025
2.	Workshop	Molecular Techniques	3rd week, August, 2025
3.	National Seminar	National Seminar on Recent Advances in Biomedical Sciences	3 rd Week of Oct. 2025
4.	Summer School	15 Days Summer Training Programme on Molecular Oncology	Last week of May 2025 to Second Week of June 2025
5.	Workshop on	Workshop on Vermitechnology for Higher Secondary School Students	2 nd Sept. 2025

13. Placement training with purpose

S.No	Training Programmes	Purpose
1	Through University IQAC Faculty Development Programme will be conducted for Zoology and Biomedical students	Up-gradation of Teachers working in Periyar University Affiliated Colleges
2	Training Programme on Vermiculture for Self-help Group and Farmers	To establish entrepreneurial farmers as extra earning to support their family income

13. Extension activities to be conducted :

S.No	Name of Activity	Purpose
1.	Village Adoption Scheme	Awareness to local community on Dengue / Other Out Breaking Diseases in and around Salem/Tamil Nadu once in 3 Months (Total : 4 Programmes / Year)
2.	Health checkup regarding diabetics and blood pressure for teaching and non teaching members of Periyar University	To understand health status of Periyar University faculties.
3.	Population survey of Zooplankton on and around Periyar University	To know the status of food we in aquatic ecosystem
4.	World AIDS Day Awareness Programme on Dec. 1 st 2025	To know and create precautions steps to escape from AIDS viral infection

14. List of Visiting Professors to be invited with purpose :

(Tentative, to be finalized based on their availability)

S.No	Name	Purpose
1.	Roberto Parra Saldivar, Tecnologico de Monterrey, Institute of Advanced Materials for Sustainable Manufacturing, Monterrey, Mexico	International conference
2.	JH Douglas Shyu Department of Biological Science and Technology, National Pingtung University of Science and Technology Pingtung, Taiwan	International conference
3.	Xiang Guo Science and Technology Laboratory, Laboratory of Emergency Safety and Rescue Technology, Hubei Institute of Aerospace Chemotechnology, Xiangyang 441003, China	International conference
4.	Dr.NazimAnnabi Associate Professor UCLA Samueli School of Engineering University o f California Los Angeles, USA	Research Collaboration
5.	Prof. Victor Ambros (2024 Nobel Laureate in Physiology or Medicine)	University of Massachusetts, Chan Medical School, Worcester, MA, USA

15.Add on courses planned with justification : Nil

16.Special Equipments/Requirements :

S.No	Name	Purpose	Amount (Rs)
1	Confocal microscope	To perform research in biomedical sciences to observe the live cells during experimentation. This facility is not only usefull to Zoology but also to all the science Departments working on Drug Design, Delivery and disease targeting	3,00,00,000/-

11. Seminars/workshops/conferences to be organized by the Department :

S.No.	Name of the Programme	Topic	Tentative Week & Month
1	Invited Talk	Impact of Social Media in Mental and Physical Health	2 nd week of April 2025
2	Lecture Workshop	American Literature– An Overview	3 rd week of July 2025
3	Invited Talk	Nuances of Research Writing	1 st week of August 2025
4	Invited Talk	Literary Theories and their role in Literature	4 th week of August 2025
5	National level Lecture Workshop	Ethical considerations in Film making	2 nd week of September 2025

6	Invited Talk	Inter–textuality in Literature	3 rd week of October2025
7	Invited Talk	Fundamentals of Creative Writing	1 st week of November2025
8	International Conference	Literature and Language Studies	3 rd week of January2026
9	Lecture Workshop	Patriarchy and the Shakespearean Woman	2 nd week of February2026
10	Invited Talk	Importance of Cultural Studies	3 rd week of March2026

12. Placement training with purpose :

S.No.	Training Programmes	Purpose
1	Soft Skills Training Programme	To imbue and enhance skills required for career development.

13. Extension activities to be conducted :

S.No	Name of Activity	Purpose
1.	Outreach Program– RISE	To create awareness about the Importance of Effective Communication in English among the school students.
2.	Field Visit/ Industrial Visit	To enhance and imbue the practical knowledge on various perspectives.

14. List of Visiting Professors to be invited with purpose:

(Tentative, to be finalized based on their availability)

S.No	Name	Purpose
1.	=	–

15. Add on courses planned with justification:1. Trait Approach to Literature – III Semester

2. Soft Skills– II Semester

16. Special Equipment/Requirements :

S.No	Name	Purpose	Amount (Rs)
1	–	–	–

17. Last Year what is Proposed and what is Achieved: (July 2024– December 2024)

S. No	Programme	No. of Proposed	No. of Achieved
1	Visitors		
2	Seminar / Workshops/ Conference	07	06
3	Equipments	–	–
4	Centre	–	–
5	Any others: i. Extension Activity	01	01
	ii. Field Visit	01	01

DEPARTMENT OF MANAGEMENT STUDIES

1. Name of the Department : Management Studies
2. Year of Establishment : 2015
3. No. of Faculty : 5

Professor	Associate Professor	Assistant Professor	Guest faculty
2	–	–	3

4. Programmes offered : 1. M.B.A
2.Ph.D

5. Number of Ph.D, Scholars

- i. Full Time : 2
- ii. Part Time :9

6. Number of PG Students

- i. I Year : 64
- ii. II Year : 64

7. Number of UG Students

- i. I Year :–
- ii. II Year
- iii. III Year

8. The meeting of the Board of Studies conducted/to be conducted :Nil

S.No.	Programme	Date	Time
1	–	–	–

9. New Programmes Proposed with Justification : Nil

10. New Centers to be established with Justification : Nil

11. Seminars/workshops/conferences to be organized by the Department :

S.No	Name of the Programme	Topic	Tentative Week & Month
1.	Invited Talk	From Classroom to Boardroom: Leveraging your MBA	Third Week of December 2025
2.	Seven–Day Project Work Orientation	Reference Writing using Mendeley	Fourth week of December 2025

12. Placement training with purpose :

S.No	Training Programmes	Purpose
1	Harnessing Artificial Intelligence for Strategic Finance	To enhance the capability of the

	Decision-Making:A CEO & CFO Perspective"	students to the corporate leadership
2	Be a Corporate Ready Candidate	To enhance the capability of the students to the corporate leadership
3	Be a Corporate Ready Candidate – 2	To enhance the capability of the students to the corporate leadership

13. Extension activities to be conducted :

S.No	Name of Activity	Purpose
1.	Financial inclusion awareness camp	To create financial literacy awareness among rural population.

14. List of Visiting Professors to be invited with purpose:

(Tentative, to be finalized based on their availability)

S.No	Name	Purpose
1.	Dr. P. Mathivanan, Associate Professor in Decision Sciences, NSB Academy, Bangalore	Reference Writing using Mendeley
2.	Dr.R.Subramaniya Bharathi, Director – DUIC, Professor of Management Studies, Periyar University Salem	From Classroom to Boardroom: Leveraging your MBA
3.	–	–

15. Add on courses planned with justification : Nil

11. Seminars/workshops/conferences to be organized by the Department :

S.No	Name of the Programme	Topic	Tentative Week & Month
1.	Seminar	Advances in Genomics and Personalized Medicine	4 th Week January 2025
		Synthetic Biology and its Applications	3 rd week February 2025
		Immunotherapy and Vaccinology	3 rd Week March 2025
		Artificial Intelligence in Drug Discovery	4 th week August 2025
		Applications of Biotechnology in Food Security – Addressing global food challenges	3 rd Week September 2025
		Applications and ethical considerations of CRISPR–CAS 9 Technology	3 rd Week October 2025
2.	Workshop	Bioinformatics for Beginners	2 th Week January 2026
		Next–Generation Sequencing (NGS) Data Analysis	2 nd Week January 2026

		Molecular Docking and Drug Design	2 nd Week February 2026
		Metagenomics and Microbiome Analysis	2 st Week August 2026
		Waste management and bioremediation	1 st Week November 2025
3.	Conference	National Conference on Biotech Startups	1 st Week February 2025
		Annual Symposium on Basic research to industrial applications	2 nd Week September 2025

12. Placement training with purpose :

S.No	Training Programmes	Purpose
1	Biotech Start-ups and Innovations	Collaborate with industry experts on entrepreneurship and innovation
2.	Technical Skills Enhancement	Strengthen subject-specific knowledge include molecular biology, genetic engineering, bioprocess technology, etc required for core biotechnology roles
3.	Industry-Specific Skill Workshops	Provide specialized training for Pharmaceutical Biotechnology (Drug development, GMP, and quality control), and Agribiotech (Genetically modified crops, biopesticides)

13. Extension activities to be conducted :

S.No	Name of Activity	Purpose
1.	Journal Club	Critical analysis of research papers for promote research activities
2.	Village adaptation	improving the socio-economic, environmental, and health conditions of the community
3.	Agriculture and Sustainable Farming	Train farmers on the production and use of eco-friendly alternatives to chemical inputs
4.	Health and Hygiene Awareness	Educate communities on preventing malaria, dengue, and chikungunya through simple biotechnology solutions
5.	Science Day	Awareness and appreciation of science activities for students
6.	Innovation Event	Biotech Hackathons and Innovation Contests
7.	DNA Day	Celebrates the discovery of the DNA double helix structure.
8.	International Day for Biological Diversity	Promotes biodiversity conservation and sustainable development
9.	World Environment Day	Advocates for environmental protection and sustainability
10.	World Mosquito Day	Commemorates the discovery that mosquitoes transmit malaria
11.	World Food Day	Promotes awareness of hunger and food security issues
12.	World Science Day for Peace and Development	Celebrates science as a tool for global development and peace

14. List of Visiting Professors to be invited with purpose:

(Tentative, to be finalized based on their availability)

S.No	Name	Purpose
1.	Dr. Arumugam Rajavelu Assistant Professor, Dept of Biotechnology, Indian Institute of Technology, Chennai, Tamil Nadu, India	Invited lecturers
2.	Dr.A.Suresh Kumar Principal Scientist, Assistant Professor –AcSIR, Department of Biochemistry & Biotechnology, CSIR–Central Leather Research Institute, Chennai, India	Invited lecturers
3.	Dr. Perumal Madan Kumar Senior Scientist Department of Biochemistry, CSIR– Central Food Technological Research Institute, Mysuru – 570 020.	Invited lecturers

15. Add on courses planned with justification : Nil

16. Special Equipments/Requirements :

S.No	Name	Purpose	Amount (Rs)
1	PCR	M.Sc. Student Practical and Ph.D., scholars research	2,50,000.00
2	High Speed Cooling Centrifuge	M.Sc. Student Practical	2,76,000.00

11. Seminars/workshops/conferences to be organized by the Department :

S.No	Name of the Day/Programme	Topic/Focus	Date
1	World Wetlands Day	Conservation and Sustainable Use of Wetlands	February 2, 2025/2026
2	World Water Day	Accelerating Solutions for Global Water Issues	March 22, 2025/2026
3	Meteorology Day	Promoting Weather and Atmospheric Sciences	March 23, 2025/2026
4	Geologists' Day	Celebrating Contributions of Geologists	April 6, 2025 / April 5, 2026
5	Earth Day	Promoting Environmental Awareness	April 22, 2025/2026
7	International Stratigraphy Day	Advancing the Science of Layered Earth Systems	May 15, 2025/2026
8	World Environment Day	Ecosystem Restoration and Climate Action	June 5, 2025/2026

9	World Oceans Day	Protecting the World's Oceans	June 8, 2025/2026
10	Mining Industry Day	Technological Advances and Sustainability in Mining	July 24, 2025/2026
11	Hydrogeology Day	Water Resource Management and Groundwater Studies	August 12, 2025/2026
12	International Day for the Preservation of the Ozone Layer	Ozone Layer Recovery and Protection	September 16, 2025/2026
13	Earth Science Week	Understanding and Promoting Earth Sciences	October 12–18, 2025 / October 11–17, 2026
14	Fossil Day	Importance of Fossils in Understanding Earth's History	October 15, 2025 / October 14, 2026
15	Geologic Map Day	Importance of Geologic Maps	October 17, 2025 / October 16, 2026
16	International Archaeology Day	Celebrating Archaeological and Geological Heritage	October 18, 2025 / October 17, 2026
17	International Day of Climate Action	Climate Change Awareness and Mitigation	October 24, 2025/2026
18	International Fossil preservation and research	Global celebration of fossil preservation and research	November 2, 2025/2026
19	World Soil Day	Sustainable Soil Management for Food Security	December 5, 2025/2026
20	International Mountain Day	Sustainable Mountain Development	December 11, 2025/2026

12. Placement training with purpose :

S.No	Training Programmes	Purpose
1.	Sds Remotesensing Programs	M.Sc., Geology Placement in GIS Related companies.
2	Mudlogging Program	Placement in Petroleum Exploration in various companies.

13. Extension activities to be conducted :

S.No	Name of Activity	Purpose
1.	Geological Field (15 Days)	Geology Students much know various Sedimentary, Igneous Rock, Metamorphpy Rock and Fossils etc.,
2.	Village adaptation program	To Aware about Rare Earth Elements
3.	Village outreach program	Groundwater related issues, Rainwater harvesting.
4	Lake adaptation program	Cleaning and monitoring

14. List of Visiting Professors to be invited with purpose :

(Tentative, to be finalized based on their availability)

S.No	Name	Purpose
1	Prof. V. Ram Mohan	Petrology
2	Prof. S.M Hussain	Micropaleontology
3	Prof. Selvaraj	Hydrogeology

4	Dr. Krishnamoorthy	Atomic mineral exploration
5	Prof. S. Anbalagan	Chandrayan-3, Remote sensing
6.	Dr. D. Gnanavel	Mining Geology
7.	Mr. Balakrishnan	Geological survey of India
8.	Dr. P. Thangaraj	Mining, mineral exploration
9.	Dr. IfftiharAhammed	Geo Mining Exploration
10.	Prof. M.P Jonathan Mexico	Environmental Geochemistry research

15. Add on courses planned with justification

- : 1. Medical Geology
2. Petroleum Geology
3. Groundwater exploration

JUSTIFICATION

The department will follow the M.Sc. Geology syllabus (TANCHE).

16. Special Equipments/Requirements :

S.No	Name	Purpose	Amount (Rs)
1	UV-Visual spectrometer	M.Sc. Hydrogeology Practical	600000/-
2	Resistivity Meter	M.Sc, Geophysics Practical	300000/-
3	Computer System (High configuration (8 Nos)	M.Sc, Remote sensing and GIS Practical	500000/-
4	Microscope with camera	M.Sc, Micropaleontology Practical	500000/-
5	Thin section maker	M.Sc, Petrology Practical	600000/-
6	Laboratory Fume cupboard	M.Sc, Geochemistry, Sedimentary chemical Digestion	350000/-
7	Blow pipe analyses full set	M.Sc., Petrology practical	50000/-
Total			2900000/-

17. Last Year what is Proposed and what is Achieved:

UNIVERSITY CENTRES / CELLS

INTERNAL QUALITY ASSURANCE CELL (IQAC)

1. Name of the Centre /Cell : IQAC
2. Year of Establishment : 2010
3. Seminars/workshops/conferences to be organized by the Centre / Cell(Atleast two):

S.No	Name of the Programme	Topic	Tentative Week & Month
1.	Faculty Development Programme (FDP)	Quality of Teaching	2 nd Week, April – 2025
2.	Orientation Programme	Accreditation Process	2 nd Week, August – 2025
3.	Workshop	Quality of Research	3 rd Week, September – 2025

4. Extension activities to be conducted (Atleast two):

S.No	Name of Activity	Purpose
1.	Mentoring	NAAC – Accreditation Process
2.	Sensitization	NIRF – Process

5. Add on courses planned with justification:

S. No	Name	Purpose
1.	Nil	Nil

6. Plan for MoU if any:

S. No	Name Of MoU	Purpose	Institution in which it is planned
1.	Nil	Nil	Nil

7. Requirements if any:

S.No	Particulars	Purpose
1.	Dell Computer – i9 Processor, Intel Core, 16 GBram,1TBHard Disk. Dell Monitor – SE2425H	Data Storage (NAAC and AQAR)

8. Fund generated last year if any:

S. No	Source of Fund	Amount in Rs.
1	Nil	Nil

9. No. of Programme conducted in last year

S. No	Name of the Programme	Numbers Proposed	Numbers Achieved
1.	The Art and Science of Quality Teaching (Special Lecture Programme) – University Departments	06	06
2.	Executive Development Programme– Empowering Higher Education Administrators – Periyar University Affiliated Colleges		

3.	Enhancing the Quality of Question Papers and Evaluation – Periyar University Affiliated Colleges		
4.	NAAC Accreditation Sensitization Programme and Gap Analysis –University Departments		
5.	New NAAC Accreditation Sensitization Programme – – Periyar University Affiliated Colleges		
6.	Special Training Programme on sector skill council subjects – Periyar University Affiliated Colleges

Centre for Instrumentation and Maintenance Facility (CIMF)

1. **Name of the Centre** : Centre for Instrumentation and Maintenance Facility (CIMF)
2. **Year of Establishment** : 2011
3. **Seminars/workshops/conferences to be organized by the Centre / Cell (At least two):**

S.No.	Name of the Programme	Topic	Tentative Week & Month
1.	Workshop	Analytical Instrumentation Techniques	2 nd Week & July 2025
2.	Workshop	Structure Determination from Single Crystal X-ray Diffraction	2 nd Week & August 2025
3.	Workshop	Scanning Electron Microscope with EDX	2 nd Week & September 2025
4.	Workshop	GC-MS Analysis	2 nd Week & October 2025
5.	Workshop	Atomic Absorption Spectrophotometer (AAS)	2 nd Week & November 2025
6.	Training Program	Computer Assembling and OS Installation	2 nd Week & February 2026
7.	Training Program	Computer Networks: Cabling and File Sharing	3 rd Week & February 2026

4. **Extension activities to be conducted (At least two):**

S.No	Name of Activity	Purpose
1.	Computer Hardware & Networking training for govt school students	Improve the computer knowledge to students those who are coming from remote village
2.	Hands on Training for Lab Electronics Apparatus	Improve the basic electronics apparatus knowledge to students those who are coming from govt. college

5. **Add on courses planned with justification:**

S. No	Name	Purpose
1.	X-ray Crystallography Techniques	Discovery of new drug molecules
2.	Scanning Electron Microscope Imaging Techniques	Discovery of Innovative materials surface morphology and its elemental composition
3.	Gas Chromatography Analytical Techniques	Separation and Purification of the drugs and volatile compounds

6. **Plan for MoU if any:**

S. No	Name Of MoU	Purpose	Institution in which it is planned
1.	-	-	-

7. Requirements if any:

S. No	Particulars	Purpose
1	Atomic Force Microscopy	AFM can image the topography of surfaces, including biological samples, polymers, ceramics, composites, and glass. It can also be used to image the supramolecular organization and assembly of multiple membrane proteins.
2.	GC with FID & TCD	TCDs can detect a wide range of compounds, including air, hydrogen, carbon monoxide, nitrogen, sulfur oxide, and inorganic gases. They can also detect small hydrocarbon molecules and compounds that don't respond well to a Flame Ionization Detector (FID).

8. Fund generated last year if any:

S. No	Source of Fund	Amount in Rs.
1	High-Resolution Structure Determination of Small Molecules using X-Ray Crystallography (13 th October, 2023)	Rs. 8,260.00
2	Workshop on "SEM-EDX, GC-MS and HPLC" (18 & 19 October 2023)	Rs. 16,520.00
3	Workshop on "SCXRD, SEM-EDX and GC-MS" (26th & 28th February, 2024)	Rs. 17,228.00
4	Internship Programme on Instrumentation Techniques (06.06.2024 - 24.06.2024)	Rs. 5,000.00
5	Internship Program on INSTRUMENTATION TECHNIQUES (3-23 December 2024)	RS. 90,000.00
6	Service Charge for Data Collection (SC-XRD, SEM-EDX & GC-MS)	External Students- Rs. 4,32,942.00 Internal Students -Rs. 2,14,600.00 Total - 6,47,542.00
7	Service Charge for Instrument Service/Computer	Rs. 21,900.00

9. No. of Programme conducted in last year

S. No	Name of the Programme	Numbers Proposed	Numbers Achieved
1	Workshop/Training Programmes on Instrumentation	5	5

Details of Programme and participants

S. No	Name of the Programme	Expected Beneficiaries	Participated Beneficiaries
1	Workshop on Advances in Analytical Techniques (25-09-2023)	120	142

2	High-Resolution Structure Determination of Small Molecules using X-Ray Crystallography (13 th October, 2023)	20	23
3	Workshop on "SEM-EDX, GC-MS and HPLC" (18-19 October 2023)	30	35
4	Workshop on "SCXRD, SEM-EDX and GC-MS" (26-28 February, 2024)	70	73
	Internship Programme on Instrumentation Techniques (06-24 June 2024)	5	1
5	Internship Programme on Instrumentation Techniques (3-23 December 2024)	15	20

COMPUTER CENTRE

1. Name of the Centre /Cell : Computer Centre

2. Year of Establishment : 2008

3. Seminars/workshops/conferences to be organized by the Centre / Cell(Atleast two):

S. No	Name of the Programme	Topic	Tentative Week & Month
1.	Workshop on High Performance Computing	Accelerated Research and Development process	Third week of February 2025
2.	Seminar on Cyber Security	Data Safety	Third week of March 2025

4. Extension activities to be conducted (Atleast two):

S.No	Name of Activity	Purpose
1.	Seminar on Future of Women in Cyber	Strive to discover and promote opportunities for women to lead, diversify and engage the younger generation of women on pathways to cybersecurity and federal service.
2.	Workshop on AI Powered tools for administrative staff members	Explore advanced functionalities of office software, data management and cybersecurity to enhance their efficiency and productivity

5. Add on courses planned with justification: NIL

S. No	Name	Purpose
1.	--	--

6. Plan for MoU if any: NIL

S. No	Name Of MoU	Purpose	Institution in which it is planned
1.	--	--	--

7. Requirements if any:

S. No	Particulars	Purpose
1	Laptop – 2 Nos. (Intel Core i9 Processor, 1TB SSD,16 GB RAM DDR5, 8GB Graphic Card Nvidia 4060)	To conduct training and presentation of proposals
2	Wi-Fi Access Point – 10 Nos. (Ruijie Indoor AP– RG840)	To be Mounted in Seminar Hall, Guest House Auditorium, Gents Hostel, Ladies Hostel and various Department in the University Campus

8. Fund generated last year if any:

S. No	Source of Fund	Amount in Rs.
1	Online Ph.D Viva Fees	1,71,000

9. No. of Programme conducted in last year:

S. No	Name of the Programme	Numbers Proposed	Numbers Achieved
1	Computer Training Program for Non Teaching Staff Members	1	1
2	Workshop on High Performance Computing	1	1

CENTRE FOR NEW AND RENEWABLE ENERGY

STUDIES (CNRES)

1. Name of the Centre : Centre for New and Renewable Energy Studies (CNRES)
2. Year of Establishment : 2013
3. Seminars/workshops/conferences to be organized by the Centre / Cell (At least two):

S.No	Name of the Programme	Topic	Tentative Week & Month
1.	Training Program	Electric Vehicle Design and Fabrication Techniques	August – 1 st week
2.	Workshop	Energy Storage Technology	February –1 st week

4. Extension activities to be conducted (Atleast two):

S.No	Name of Activity	Purpose
1.	Awareness Training Program on Renewable Energy Technology	To create awareness to young minds particularly for the school students about utilization of renewable energy systems in association with Periyar University NSS units.
2.	Energy Conservation Awareness Campaign	To create awareness among the general public and equip them for efficient management of all forms of energy, to promote energy efficiency and energy conservation and to develop new sources of energy as well as novel energy technologies with a view to increasing the production and facilitating the use of energy on a sustainable basis.

5. Add on courses planned with justification:

S. No	Name	Purpose
1.	Design and construction of Electric Vehicle System	This is certified add on course for all kind of PG students within the Periyar University. This Course will be conducted in association with in association with Birds India Corporation, Salem and aims to acquire the knowledge on construction and operational performance of EV systems

6. Plan for MoU if any:

S. No	Name Of MoU	Purpose	Institution in which it is planned
1.	Memorandums of Understanding	Mutual Exchange of the technologies between the institute and company on improvement in performance of Lead Acid battery for automobile applications	Surya Battery, Salem, Tamilnadu
2.	Memorandums of	Mutual Exchange of the	Department of Chemistry,

	Understanding	knowledge between institutes for publications, and fund generation	Donggu University, South Korea
--	---------------	--	--------------------------------

7. Requirements if any:

S. No	Particulars	Purpose
1	University Research Fellow (URF-2)	To develop the new and sustainable energy systems, we have to have lots of scientific inputs. Therefore, we need to have dedicated research personals (URF) with good scientific backgrounds.
2.	Equipments	CNRES is only centre in our University working on materials based energy conversion and technologies. Hence, we need to have equipments for material synthesis and also we are planning to establish an indigenous instrument for energy production from waste and thus we have to have small equipments for assembling the instruments.

Annexure

Budget Estimate for the Financial Year 2024-2025

S.No.	Subject & Details Heads	Revised Estimate In Lakh (F.Y. 2024-2025)	Budget Estimate in Lakh (F.Y. 2025-2026)
-	-	2.00	-
Recurring Expenditure			
1	University Research Fellowship (URF-2)	-	1.44
2	Working Expense & Contingency/Postage	-	0.25
3.	Contingency for URF	-	0.12
4.	Travel Grant for seminars/ Workshops/Training and Awareness Programmes	-	1.00
5.	Invited Lecture/Visiting Professors/Training Programmes	-	1.00
6.	Chemicals & Glass wares	-	0.50
7.	Maintenance of Instruments	-	0.50
Non-Recurring Expenditure			
1.	Equipments	-	5.00
2.	Furniture	-	1.00
Total		2.00	10.81

Justifications:

University Research Fellowship (URF-2):

The centre for New and Renewable Energy Studies (CNRES) was established by the Ministry of Higher Education, Tamilnadu Government in 2013 (**G.O.(Ms)No.148 Date: 20.08.2013**) and centre is doing a research on identifying the advance energy sources that are sustainable and have minimal environmental impact. Moreover, to develop the new and sustainable energy systems, we have to have lots of scientific inputs. Therefore, we need to have dedicated research personals (URF) with good scientific backgrounds. Also, already we have developed a pulsed capacitive discharge (PCD) reactor for production of high value product (Graphene) from any carbon containing materials in association with Department of Physics, Periyar University. In order to operate and upgrade the developed instrument and analyze the data, we need to have a scientific manpower.

Working Expense & Contingency/Postage:

This particular budget is essential for academic and other development activities.

Travel Grant for seminars/ Workshops/Training and Awareness Programmes:

CNRES is planning to develop a new technology for production of renewable energy system. Hence, the knowledge will be acquired to attain the aim by attending the seminars/ Workshops/Training and Awareness Programmes.

Invited Lecture/Visiting Professors/Training Programmes:

Bringing in experts from other institutions or industries allows for the sharing of cutting-edge knowledge, and emerging trends on the new and renewable energy systems. These lectures provide a unique learning experience that is often unavailable within the local academic environment.

Tailored training programs bring in professionals those who are expert in the field renewable energy offering participants and our University students the opportunity to gain specific skills that are in demand in the job market or to stay current with renewable energy industry developments.

Chemicals & Glass wares:

In the research activity, the chemicals & Glass wares are essential materials.

Maintenance of Instruments

CNRES already installed a wind mill, Solar Gadgets and bio gasification plants in our university campus. To maintain these instruments, we need to have small budget.

Equipments:

CNRES is only centre in our University working on materials based energy conversion and technologies. Hence, we need to have equipments for material synthesis and also we are planning to establish an indigenous instrument for energy production from waste and thus we have to have small equipments for assembling the instruments.

Furniture:

CNRES need a table mound and sitting chairs to mound the indigenously developed instruments.

8. Fund generated last year if any:

S. No	Source of Fund	Amount in Rs.
1	No	N/A

9. No. of Programme conducted in last year

S. No	Name of the Programme	Numbers Proposed	Numbers Achieved
1	Workshop	1	To be conducted in 2 nd week of 2025.

10. Any Others

The centre for New and Renewable Energy Studies (CNRES) was established by the Ministry of Higher Education, Tamilnadu Government in 2013 (**G.O.(Ms)No.148 Date: 20.08.2013**) and centre is doing a research on identifying the advance energy sources that are sustainable and have minimal environmental impact. For smooth function of this centre, I requested the fund allotments as attached in the in the annexure.

CENTER FOR ALUMNI AFFAIRS

1. Name of the Centre /Cell : Center for Alumni Affairs
2. Year of Establishment : 2011
3. Seminars/workshops/conferences to be organized by the Centre / Cell(At least two):

S. No	Name of the Programme	Topic	Tentative Week & Month
1.	Annual Alumni Meet & Annual General Body Meeting	Discussion on Institutional Development	July/August 2025
2.	Alumni Chapters Meetings	Alumni Welfare	Sept. 2025 to Feb. 2026

4. Extension activities to be conducted (Atleast two):

S.No	Name of Activity	Purpose
1.	Alumni Lecture Series	Mentorship opportunities, collaborations, and partnerships
2.	Alumni Awards	To recognize distinguished Alumni

5. Add on courses planned with justification: Not Applicable

S. No	Name	Purpose
1.	Nil	Nil

CENTER FOR BIODIVERSITY AND FOREST STUDIES

(CBFS)

1. Name of the Centre /Cell : Center for Biodiversity and Forest Studies
2. Year of Establishment : 2011
3. Seminars/workshops/conferences to be organized by the Centre / Cell(at least two):

S.No	Name of the Programme	Topic	Tentative Week & Month
1.	Workshop	Nanophytochem–2025 – Integrating Phytochemistry, Nanotechnology and Computational Modeling for Advanced Research	10–12 March 2025
2.	Special lecture	Marine Biodiversity Applications and its Conservation	The second week of August 2025
3	Conference	3 rd BIOFAIR – 2025 – Conference cum Exhibition	The first week of October 2025
4	Symposium	Conserving Life: Exploring Plant Biodiversity and Ecosystem Preservation	The First week of February 2026

4. Extension activities to be conducted (at least two):

S.No	Name of Activity	Purpose
1.	Building a Sustainable Future: An Awareness Program on Sustainable Development Goals (SDGs) for Government School Students–Two to three Programmes will be conducted in a year	<p>To Educate students about the 17 SDGs and their relevance to everyday life.</p> <p>To Foster Critical Thinking about global and local challenges such as poverty, inequality, climate change, and environmental degradation.</p> <p>To Inspire Action by encouraging students to adopt sustainable practices in their homes, schools, and communities.</p> <p>To Encourage Localized Solutions by focusing on SDGs that are most relevant to the students' local context and environment (e.g., clean water, quality education, climate action).</p> <p>To Build Awareness about the importance of collective action in achieving the SDGs and the role each individual can play in shaping a sustainable future.</p>
2	Lake Restoration	To maintain and sustain environmental health, Flood prevention, Recreation and Aesthetic value, Wildlife protection,

3	Tree planting	To maintain and sustain Climate change mitigation, Air quality improvement, Biodiversity support, Soil conservation
4	Wall painting	To maintain and sustain Cultural Expression and Community Engagement, Urban Aesthetic Enhancement, Social Change and Awareness,
5	Establishment the Honey Bee Box – Apiculture	The establishment of a Honey Bee Box on a university campus offers a multifaceted approach to education, sustainability, and environmental conservation, while also providing tangible benefits to the campus community and the wider environment.
6	Watering the Wild: Summer Relief	The purpose of providing water to birds and animals on campus is to support the local wildlife, improve biodiversity, promote ecological awareness, and enhance the overall sustainability of the campus environment. It also fosters a sense of community responsibility and care for nature

5. Add on courses planned with justification:

S. No	Name	Purpose
1.	Ethnobotany and Indigenous Knowledge	The Ethnobotany and Indigenous Knowledge course explores the relationship between human societies (particularly indigenous communities) and plants, as well as the role of traditional knowledge in conserving biodiversity and sustaining ecosystems. Ethnobotany bridges the fields of botany, anthropology, and environmental science by studying how plants are used in different cultural contexts, including for medicinal, nutritional, and spiritual purposes.
2.	Biodiversity Conservation and Management	The Biodiversity Conservation and Management course aims to provide students and professionals with the skills and knowledge needed to effectively conserve and manage biodiversity in a variety of ecosystems, from forests and grasslands to oceans and wetlands.

6. Plan for MoU if any:

S. No	Name Of MoU	Purpose	Institution in which it is planned
1.	Drug Discovery and Designing Association	Research and Development	Vinayaka Mission Research Foundation, Salem
2.	Extension and Community Activity Association	To conduct extension and social service activities	MARGHAM NGO, Salem

7. Requirements if any:

S.No	Particulars	Purpose
7.	Man power (2 Nos.)	To maintaina Medicinal Plant Garden
8.	Man power 1 No. (Office Assistant)	To maintain Official work

8. Fund generated last year if any:

Encl : Annexure –IV & Annexure – V

Annual Plan : 2025 – 26

January'25 :

- Formation of Governing Committee
- Convening the first GC meeting
- Incubatee selection
- Centre Interior, Electrical and Plumbing works estimation finalization and submission of request with university authorities

February'25 :

- Incubatee issuance of order
- Implementation of GC meeting minutes
- Selection of Office Bearers and other staff recruitments through proper channel
- Completion of centre Interior and other amenities work
- Exploring opportunities for the Incubates

March'2025 – December'25 :

- Areas of Innovation of Incubatees and Patent filing

- **Education Technology incubation :**
 - Funding Support reference for Incubatee
 - Connecting them with potential clients
 - Domain expert and Technology support from our university mentors in their product innovation
 - Facilitating the incubatee associating them with global and domestic industry partners
 - Commercialisation acceleration for the incubatee taking their program to our students of affiliated colleges
 - Supporting incubate taking their programs across India and rest of the world
- Assisting them for their association with Education loan bankers

Waste Management, Water Management Incubation, Early Detection and Drug discovery for Life style diseases and disorders and Pain Management and Alleviation Incubation :

- Funding Support reference for Incubatee
- Connecting them with potential clients
- Domain expert and Technology support from our university mentors in their product innovation
- Facilitating the incubatee associating them with global and domestic industry partners
- Commercialisation support on innovation of their various products from their output material

BUSINESS VERTICALS EXPLORED

1. CIRCULAR ECONOMY FOR SUSTAINABLE DEVELOPMENT

Mentor – Dr.Ramesh, Director, Centre for New and Renewable Energy Studies

- a. Waste Management – Garbage to black Gold – **Patent Published**
- b. Water Management – Zero salt & Mineral water for rural households – **Patent process is on**
- c. Industrial Effluent Management – **Patent planned**
- d. Renewable Energy EV Battery – **Patent planned**

2. EDUCATION TECHNOLOGY – STREAM Concept –

Mentor – Dr.Venkatesh, Director, PU–ITTC

Dr. Maruthupandian, Coordinator, Centre for Biodiversity

- a. Paid program – APSAH in association with PU–ITTC &MESC
- b. Grant Govt Skill Training
- c. Paid School campus program
- d. CoIE in XR – Virtual Lab – Kindle – **Patent Planned**

3. BIO–MEDICAL SCIENCE

Mentor – Dr.Palvannan, HoD, BioChemistry

Dr. Maruthupandian, Coordinator, Centre for Biodiversity

- a. XR device for early detection of Cancer, Heart attack & Diabetes – **Patent Published for Stomach Cancer (Additional patents planned)**
- b. XR based Drug Discovery for Cancer, Heart attack & Diabetes – **Patent planned**
- c. XR based targeted Drug administration using Nano technology for Cancer, Heart attack & Diabetes – **Patent planned**
- d. Aromatherapy for Pain Management & 3D wound Healing – **Patent planned**

4. WELLNESS and WELLBEING

Mentor – Dr.Palvannan, HoD, BioChemistry

Dr.Maruthupandian, Coordinator, Centre for Biodiversity

- a. Instant Health report device with AI powered nutrition plan
- b. Epigenetic Rejuvenation through millets for reverse ageing – **Patent planned**

CELL FOR UNIVERSITY BUSINESS COLLABORATION

1. Name of the cell : **University Business Collaboration**

2. Year of Establishment : **29.07.2021**

3. Seminars / Workshops/ Conferences to be organized by the Centre /Cell (At least two):

S.No	Name of the Programme	Topic	Tentative Week & Month
01	Effective Public Speaking	Soft Skills	August 2025
02	International Conference	Innovation Entrepreneurship Export	May 2025
