

MBA

Admission to the MBA programme is through a rigorous selection procedure. Students with any degree from UGC recognized institutions with 10+2+3/4 pattern and those who are appearing for their final examination (subject to getting the degree in the ensuing final examination) are eligible to apply. To be considered for selection, the students should have either appeared for Management Aptitude Test (MAT), Common Management Admission Test (CMAT) or TANCET or any other nationally recognized entrance test. Selection is based on the combined scores obtained by the candidate on their performance in entrance test, degree marks, group discussion and personal interview. Reservation as per Periyar University rules.
