Date: 29.08.2024

Dear Principals and Faculty Members,

The Department of Computer Science is excited to announce the **National Level Technical Symposium - Fusion Bytes 2K24**, taking place on September 13th. This event promises to be a platform for showcasing talent and innovation in the field of computer science. We encourage all students to actively participate in the various events and make the most of this opportunity. Join us for a day filled with learning, competition, and collaboration!

The symposium will feature diverse programmes and competitions tailored for tech enthusiasts and innovators. These events aim to showcase technical prowess and encourage creative problem-solving and the sharing of knowledge across various technological domains.

The following are the key programs that will be conducted during the symposium:

- Web Designing:** A contest that pushes the boundaries of creativity and technical expertise in crafting user-friendly, visually appealing websites.
- Data Visualization:** A competition showcasing the art of transforming complex data into meaningful insights through visual storytelling.
- Ethical Hacking:** A challenge for participants to demonstrate their skills in cyber security by identifying vulnerabilities and proposing solutions in a controlled environment.
- Quiz Competition:** A rigorous test of technical knowledge across various domains, designed to challenge and engage the brightest minds.

Phone: 0427- 2345766, 2346268, 2346269 Fax: 0427- 2345124

DEPARTMENT OF COMPUTER SCIENCE

5. **Video Making:** A platform for students to showcase their storytelling abilities and technical skills in creating impactful videos on technical or social themes.
6. **Paper Presentation:** An opportunity for students to present their research and innovations, fostering academic excellence and intellectual exchange.
7. **Project Expo:** Showcase your innovative ideas and projects at the Project Expo! A platform to present your creativity, technical skills, and solutions to real-world problems.

This symposium is not just a platform to showcase your skills but also a gateway to learning, networking, and growing in your field. We encourage you to participate and make the most of this incredible opportunity.

We invite your institution to actively participate in this event and encourage your students to engage in this unique opportunity for learning, networking, and professional growth.

We look forward to seeing you at Technical Symposium 2k24, where innovation meets inspiration!

The brochure is attached below. It contains all the event details and rules. Please review the information carefully to ensure a smooth participation experience.
