**Workshop on
Nanophytochem - 2025:
Integrating Phytochemistry, Nanotechnology, and Computational
Modelling for Advanced Research**

Date: 10-12 March 2024

Venue : Botany Seminar Hall

**Subject: Invitation to Register for Nanophytochem - 2025 Workshop:
Integrating Phytochemistry, Nanotechnology, and Computational
Modelling**

Dear Sir/Madam/Students/Scholar,

We are excited to invite you to participate in the Nanophytochem - 2025 Workshop, which will focus on Integrating Phytochemistry, Nanotechnology, and Computational Modelling for Advanced Research. This workshop will bring together experts, researchers, and students to explore cutting-edge advancements in these rapidly growing fields.

Workshop Details:

- Date: 10.03.2025 – 12.03.2025
- Venue: Department of Botany, Periyar University, Salem – 636 011.

Key Topics:

- Phytochemical research in plant-based compounds
- Nanotechnology applications in phytochemistry
- Computational modelling techniques for advanced research
- Collaborative opportunities for future research

How to Register:

To register for the workshop, please click the link below and complete the registration form: <https://forms.gle/uaLWCtUeVxDisUk18>

The registration deadline is [07.03.2025]. Don't miss this opportunity to connect with experts and enhance your knowledge in this exciting area of research!

We look forward to your participation in this engaging and informative event. If you have any questions or need further information, please feel free to reach out.

Warm regards,

Dr. A. Maruthupandian

Coordinator – Centre for Biodiversity and Forest Studies

Assistant Professor – Department of Botany

Periyar University
