		Expected outcome	India is facing a large number of social issues such as caste system, child labour, illiteracy, gender inequality, superstitions, religious conflicts, and many more. It is high time that the society gets relief from these undesirable social evils. For finding solutions for all these social issues the persons with social work perspectives are very much required because they are not only the causative factors for all these issues but they would also suggest various scientific measures to curb all these issues. To fulfill these purposes, the Periyar Institute of Distance Education is decided to introduce this two year Master degree programme in Social Work.

		Outline of the Syllabus	Sociology is a broad discipline in terms of both methodology and subject matter. It is focused on social relations, social interaction, culture and deviance and its approaches have included both qualitative and quantitative research techniques. Sociologists play a rich and varied role in today's society. They serve in a variety of capacities, such as consultant, teacher, policy maker, researcher, administrator, clinical counsellor, social critic, interviewer, journalist, probation and parole worker, career counsellor, social worker, recreation worker, programme evaluator, urban planner, marketing administration coordinator, personnel manager, etc. Thus understanding the relevance of this subject in the present world, the Periyar Institute of Distance Education, Periyar University is decided to introduce two years post graduate programme. The syllabi are designed by well qualified faculty members who continuously engage in teaching and research in Sociology for so many years.		Percentage of SLM developed by In- House Faculty	100

		Outline of the Syllabus	India is facing a large number of social issues such as caste system, child labour, illiteracy, gender inequality, superstitions, religious conflicts, and many more. It is high time that the society gets relief from these undesirable social evils. For finding solutions for all these social issues the persons with social work perspectives are very much required because they are not only the causative factors for all these issues but they would also suggest various scientific measures to curb all these issues. To fulfill these purposes, the Periyar Institute of Distance Education is decided to introduce this two year Master degree programme in Social Work.
